

To the University Community,

Annual Voluntary Demographic, Veteran and Disability Self-Identification Survey

The University of Connecticut is an affirmative action employer, committed to employing and advancing all qualified individuals. As a federal contractor, the University of Connecticut is required to annually report demographic data about the workforce including disability and veteran data.

To help ensure that the University has the most accurate data, all employees are requested to complete a brief survey to update demographic information including disability and veteran status. Response to this survey is voluntary, but highly encouraged. The information that you provide will be kept confidential and will only be used for federal reporting purposes. The information you provide will not impact your current employment status.

Please update your information by June 30, 2015. The survey will remain accessible, enabling employees to update information as necessary.
