Higher Education Including Race/Gender Specific Resources ............................................................ 72
Academic Keys for Health Sciences provides resources to further academic careers and find jobs. This higher education job site for academics offers 17 discipline focused sites with compressive information about faculty, educational resources, research interests and relevant professional activities. More than 89% of the top 120 universities (as ranked by US news and World Report) contribute job postings and ads to this site.

Agcareers.com posts over 2400 jobs on its site each month. Posting on AgCareers.com can assist employers in selectively targeting only candidates from specific industry sectors. Employers can post their new openings and search a database of almost ten thousand applicant resumes.

The Agricultural & Applied Economics Association (AAEA) is a not-for-profit association serving the professional interests of members working in agricultural and broadly related fields of applied economics. Members of the AAEA are employed by academic or government institutions, as well as in industry and not-for-profit organizations, and engage in a variety of teaching, research, and extension/outreach activities. A career opportunities page hosts employment ads of interest to members and a resume bank is available.

The American Association of Veterinary Laboratory Diagnosticians (AAVLD) is a not-for-profit professional organization which seeks to disseminate information relating to the diagnosis of animal diseases, coordinate diagnostic activities of regulatory, research and service laboratories, establish uniform diagnostic techniques, improve existing diagnostic techniques, develop new diagnostic techniques, and to establish accepted guidelines for the improvement of diagnostic laboratory organizations relative to personnel qualifications and facilities. Act as a consultant to the United States Animal Health Association on uniform diagnostic criteria involved in regulatory animal disease programs. The career center connects job seekers with prospective employers in the veterinary diagnostics industry.

The mission of the American Fisheries Society is to improve the conservation and sustainability of fishery resources and aquatic ecosystems by advancing fisheries and aquatic science and promoting the development of fisheries professionals. The job board posts openings for six months.

ASHS supports science for specialty crops: global solutions for nutritious food sources and healthy, beautiful environments. ASHS members (researchers, faculty and other educational personnel,
extension agents, Federal and state experiment station representatives, and growers and distributors of horticultural products) continue to make significant advances in these areas, and are well-positioned to lead the rapid evolution of horticultural science through the 21st century.

AMERICAN SOCIETY FOR NUTRITION
The American Society for Nutrition is an excellent resource for nutrition research and practice for those looking to acquire and extend knowledge of nutrition across all species. Goals of the ASN include multidisciplinary and clinical research, contact among investigators of the nutritional sciences, generate interest in medicine and related fields, support of education and training to improve public health, and provide nutritional information to those in need.

AMERICAN SOCIETY OF AGRICULTURE AND BIOLOGICAL ENGINEERS
The American Society of Agricultural and Biological Engineers is an educational and scientific organization dedicated to the advancement of engineering applicable to agricultural, food, and biological systems. Agricultural, Food and Biological Engineers develop efficient and environmentally sensitive methods of producing food, fiber, timber, and renewable energy sources for an ever-increasing world population.

AMERICAN SOCIETY OF AGRONOMY
The American Society of Agronomy (ASA) is a prominent international scientific society headquartered in Madison, Wisconsin. Because of their common interests, ASA, the Crop Science Society of America (CSSA), and the Soil Science Society of America (SSSA) share a close working relationship as well as the same headquarters office staff.

ASSOCIATION OF ENVIRONMENTAL RESOURCE ECONOMICS
AERE was founded as a means for exchanging ideas, stimulating research, and promoting graduate training in environmental and resource economics. AERE currently has over 900 members from more than thirty nations, coming from academic institutions, the public sector, and private industry. AERE provides many forums for exchanging ideas relevant to the management of natural and environmental resources.

THE ASSOCIATION OF PUBLIC AND LAND GRANT UNIVERSITIES
The Association of Public and Land Grant Universities (APLU) includes more than 100 universities including all land grant institution’s (which includes a number of historically black, tribal and Hispanic Sciences serving institutions).

FEDERATION OF ANIMAL SCIENCES SOCIETIES
The Federation of Animal Sciences Societies is a service organization representing animal agriculture. FASS unites individuals through a science-based voice that supports animal agriculture, animal products, and food systems globally through effective and innovative management services. Currently, FASS serves over 10,000 professionals from animal agriculture. There are also many opportunities individuals of FASS to represent FASS in Congress on a national scale.
INSTITUTE OF FOOD TECHNOLOGY
The Institute of Food Technology is a resource for anyone looking to further their career in food science and the food industry. IFT provides insight about food science jobs by creating a space to discuss the latest salary figures, employment outlook data and workplace issues with peers. In addition, the institute offers online mentoring services to match up mentors and mentees who have similar academic interests.

JOURNAL OF ANIMAL SCIENCE
The Journal of Animal Science (JAS) is the premier journal for animal science and serves as the leading source of new knowledge and perspective in this area. JAS publishes more than 400 fully reviewed research articles, invited reviews, technical notes, and letters to the editor each year.

JOURNAL OF DAIRY SCIENCE
The Journal of Dairy Science is a leading dairy research journal in the world, representing education, industry, and government groups from over 70 countries. This journal provides information from various interests including biochemistry, breeding, economics, engineering, environment, food science, genetics, microbiology, nutrition, pathology, physiology, processing, public health, quality assurance, and sanitation.

JOURNAL OF EXTENSION
The Journal of Extension (JOE) is the official refereed journal of the U.S. Cooperative Extension System. JOE expands and updates the research and knowledge base for Extension professionals and other adult educators to improve their effectiveness. In addition, JOE serves as a forum for emerging and contemporary issues affecting Extension education.

NATUREJOBS
Naturejobs is the worldwide career resource for scientists, providing a wide range of career advice and information across Nature Publishing Group journals as well as centrally at naturejobs.com.

NATIONAL INSTITUTE OF FOOD AND AGRICULTURE
The National Institute of Food and Agriculture (NIFA) is an agency within the U.S. Department of Agriculture (USDA), part of the executive branch of the Federal Government. Congress created NIFA through the Food, Conservation, and Energy Act of 2008. NIFA replaced the former Cooperative State Research, Education, and Extension Service (CSREES), which had been in existence since 1994.

POULTRY SCIENCE
Poultry Science is an international publication offering original papers, research notes, symposium papers, and elementary science as applied to poultry. Poultry science is at the forefront of poultry oriented research and seeks to educate about breeding, genetics, immunology, metabolism, and physiology amongst other topics.

SOCIETY FOR NUTRITION EDUCATION
The Society for Nutrition Education (SNE) represents the unique professional interests of nutrition educators in the United States and worldwide. SNE is dedicated to promoting effective nutrition
education and communication to support and improve healthful behaviors and has a vision of healthy communities through nutrition education and advocacy. SNE provides forums for sharing innovative strategies for nutrition education, expressing a range of views on important scientific, pedagogic and policy issues, and disseminating research findings.

Race/Gender Specific

ASSOCIATION FOR WOMEN IN SCIENCE
The Association for Women in Science is composed of both men and women who support equality for women in science, technology, engineering, and mathematics. AWIS strives to advocate for women looking to embrace these career goals by outlining public policy objectives, position statements, and advocacy for females in these disciplines.

COMMITTEE ON THE OPPORTUNITIES AND THE STATUS OF BLACKS IN AGRICULTURAL ECONOMICS
The Agricultural & Applied Economics Association (AAEA) is a not-for-profit association serving the professional interests of members working in agricultural and broadly related fields of applied economics. Members of the AAEA are employed by academic or government institutions, as well as in industry and not-for-profit organizations, and engage in a variety of teaching, research, and extension/outreach activities.

COMMITTEE ON WOMEN IN AGRICULTURAL ECONOMICS
The Agricultural & Applied Economics Association (AAEA) is a not-for-profit association serving the professional interests of members working in agricultural and broadly related fields of applied economics. Members of the AAEA are employed by academic or government institutions, as well as in industry and not-for-profit organizations, and engage in a variety of teaching, research, and extension/outreach activities.

LATINOS IN AGRICULTURE
LIA is committed to providing resources to better educate and inform Latinos of the opportunities afforded to them in agriculture in order to stay competitive in the marketplace. Lia reaches out to students from under-represented groups that will impact the future of agriculture in the US.

MINORITIES IN AGRICULTURE AND NATURAL RESOURCES AND RELATED SCIENCES
MANRRS is a national society that welcomes membership of people of all racial and ethnic group participation in agricultural and related sciences careers. MANRRS attempts to provide networks to support professional development of minorities. It is a springboard for their entry into and advancement in careers where they otherwise could be lost in the sheer number and established connections of mainstream participants. MANRRS also serves employers in the broader agricultural sector. It provides them a locus to identify prospective well qualified employees who are members of ethnic groups.
SOCIETY OF WOMEN ENVIRONMENTAL PROFESSIONALS
Membership is composed of a diverse and dynamic network of professionals who regularly come together to share their knowledge and work experiences and to promote the professional development and achievement of women in the environmental field.

WOMEN IN NATURAL RESOURCES
Women in Natural Resources (WiNR) is a unique, high quality e-journal in the field of natural resources. It combines the best elements of a technical journal, the informal style of a newsletter, and the reader-friendly format of a magazine. It is designed and written by women at all levels in forestry, fisheries, wildlife, range, recreation, soils, and the environmental and social sciences as they relate to natural resources.
School of Business

Discipline/Subject Specific

ACADEMY OF MANAGEMENT
The Academy of Management (the Academy; AOM) is a leading professional association for scholars dedicated to creating and disseminating knowledge about management and organizations. Their central mission is to enhance the profession of management by advancing the scholarship of management and enriching the professional development of its members. The Academy is also committed to shaping the future of management research and education.

AMERICAN MARKETING ASSOCIATION
The American Marketing Association (AMA) is the largest marketing association in North America. It is a professional association for individuals and organizations involved in the practice, teaching, and study of marketing worldwide. AMA members are connected to a network of leading marketing academics and, researchers and practitioners from every industry.

AMERICAN PURCHASING SOCIETY
The American Purchasing Society is an organization of buyers, purchasing managers, executives, and others interested in the purchasing profession whose main objective is to improve the business purchasing function through education and a certification program. The American Purchasing Society's educational objectives are achieved through training programs and educational publications of interest to business and the purchasing community.

AMERICAN REAL ESTATE SOCIETY
The objectives of the American Real Estate Society are to encourage research and promote education in real estate, improve communication and exchange of information in real estate and allied matters among college/university faculty and practicing professionals, and facilitate the association of academic, practicing professional, and research persons in the area of real estate.

ASSOCIATION TO ADVANCE COLLEGIATE SCHOOLS OF BUSINESS
AACSB International - The Association to Advance Collegiate Schools of Business is an association of educational institutions, businesses, and other organizations devoted to the advancement of higher education in management education. It is also the premier accrediting agency of collegiate business schools and accounting programs worldwide.

MARKETING NEWS
The American Marketing Association (AMA) is the professional association for individuals and organizations who are leading the practice, teaching, and development of marketing worldwide

UNITED STATES ASSOCIATION FOR SMALL BUSINESS AND ENTREPRENEURSHIP
The United States Association for Small Business and Entrepreneurship (USASBE) is the largest independent, professional, academic organization in the world dedicated to advancing the discipline of entrepreneurship. With over 1000 members from universities and colleges, for-profit businesses,
nonprofit organizations, and the public sector, USASBE is a diverse mix of professionals that share a common commitment to fostering entrepreneurial attitudes and behaviors.

**Race/Gender Specific**

**ACCOUNTING & FINANCIAL WOMEN’S ALLIANCE**
The Accounting & Financial Women's Alliance (formerly American Society of Women Accountants or ASWA) was formed in 1938 to increase the opportunities for women in all fields of accounting and finance. The mission of the Accounting & Financial Women's Alliance is to enable women in all accounting and related fields to achieve their full personal, professional and economic potential and to contribute to the future development of their profession.

**AMERICAN BUSINESS WOMEN’S ASSOCIATION**
The mission of the American Business Women’s Association is to bring together business women of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support and national recognition.

**AMERICAN SOCIETY OF WOMEN ACCOUNTANTS**
The American Society of Women Accountants (ASWA) was formed to increase the opportunities for women in all fields of accounting and finance. ASWA members tap into an extensive knowledge base of accounting and finance professionals with technical expertise to provide solutions for the most complex issues.

**ASCEND**
Ascend is a non-profit professional association that enables its members, corporate partners and the community to realize the leadership of Pan-Asians in global corporations. Ascend reaches 20,000 people with 28 student chapters and 16 professional chapters located in the U.S and Canada around major business hubs and educational institutions.

**ASIAN FINANCIAL SOCIETY**
Asian Financial Society (AFS) is a globally oriented non-profit organization of business people and professionals in the financial community, sharing common professional, educational and philanthropic interests. Founded in 1984, AFS draws its membership from the many fields of finance including: international trade and finance, commercial banking, investment banking, securities research and trading, insurance, law, real estate, taxation, regulation, accounting, information services and entrepreneurship.

**ASIAN MBA INTERNATIONAL**
Asian MBA International (AsianMBA.org) is a social venture powered by Asian Diversity, Inc., which has been empowering Asian professionals since 1987. Asian MBA (AMBA) is the largest group of Asian professionals in the U.S. which comprises either MBA students or working professionals with equivalent
work experiences in various industries. AMBA’s programs include organizing the flagship event, "Annual Asian MBA Leadership Conference & Career Expo," which is the largest career event for Asians in the U.S. with over 3,000 attendees, managing the largest Asian professional online community, operating the most comprehensive job board to connect top talent with top global companies in both U.S. and Asia, and providing leadership training, network building, and delivering the information that is critical to success

**ASIAN WOMEN IN BUSINESS**
Founded in 1995, Asian Women in Business (AWIB) is the only non-profit, tax-exempt organization in the country with the primary mission of assisting Asian women entrepreneurs. Over the years, AWIB, a dynamic organization, has expanded its mission to address issues affecting Asian Americans on the corporate level; and has established a scholarship program for undergraduates which promotes and rewards demonstrated leadership. AWIB also serves on various tasks forces and boards to promote the inclusion of minority and women owned businesses and professionals.

**ASSOCIATION OF LATINO PROFESSIONALS IN FINANCE AND ACCOUNTING**
ALPFA is the premier Latino organization for professionals and students in business, finance, accounting, and related professions. ALPFA has active members, committed business partners, and quality programs.

**BLACK MBA WOMEN**
Black MBA Women is a diversified media platform offering content, community, and career development for black women from top business schools. The network consists of established and emerging women business leaders, top-tier MBA candidates and alumnae, organizational and corporate partners.

**FACULTY FOR THE FUTURE**
FacultyForTheFuture.org is the only website dedicated to linking a diverse pool of women and under-represented minority candidates from engineering, science, and business with faculty and research positions at universities across the country. It was developed by Barbara Bogue and College of Engineering of The Pennsylvania State University as part of the Penn State GE Foundation Faculty for the Future Project and was merged into the capstone FFF WEPAN grant as part of multi-institution/organization collaboration.

**HISPANIC BUSINESS**
This site targets the Hispanic business population. Candidates can search job postings by Occupation, keyword and/or state. Occupation choices range from Accounting to Writing/Journalism.

**LATIN BUSINESS ASSOCIATION**
The Latin Business Association (LBA) is recognized as the nation’s largest and most-active Latino business trade organization. Its commitment is not merely to maintain, but to further build upon that position. By serving as a leading advocate and unifying voice for the small business community, and providing services, opportunities and the tools to business owners that equip them to successfully compete in
today’s challenging environment, the LBA contributes to the overall wellness of our community, and prosperity as a nation.

NATIONAL ASSOCIATION OF BLACK ACCOUNTANTS
the mission of NABA, Inc. is to address the professional needs of its members and to build leaders that shape the future of the accounting and finance profession with an unflinching commitment to inspire the same in their successors. The Association unites through membership accountants, finance and business related professionals and students who have similar interests and ideals, are committed to professional and academic excellence, possess a sense of professional and civic responsibility, and are concerned with enhancing opportunities for minorities in the accounting, finance and business related professions.

NATIONAL BLACK MBA ASSOCIATION
The National Black MBA Association® is the most powerful social network of individuals dedicated to increasing corporate diversity and access to capital. The National Black MBA Association leads in the creation of educational opportunities and economic growth for African Americans. The NBMBAA Employment Network™ links employers with NBMBAA members, diverse MBA holders, and job seeking candidates through the National Black MBA Association's on-line job board. Employers can post positions and search one of the largest professional résumé databases in the country.

NATIONAL SOCIETY OF HISPANIC MBAS
The National Society of Hispanic MBAs (NSHMBA) is a non-profit organization serving 32 chapters and 8,000 members in the U.S. and Puerto Rico. It exists to foster Hispanic leadership through graduate management education and professional development. NSHMBA works to prepare Hispanics for leadership positions throughout the U.S., so that they can provide the cultural awareness and sensitivity vital in the management of the nation’s diverse workforce.

MBA WOMEN INTERNATIONAL
MBAWI is a not-for-profit organization dedicated to empowering female business professionals, to assisting women into leadership positions in business, and to enhancing the diversity of the workforce worldwide. MBAWI serves four related client groups: female MBA students, female business professionals and MBA-level entrepreneurs, universities and corporate partners.

THE PhD PROJECT
The PhD Project's mission is to increase the diversity of corporate America by increasing the diversity of business school faculty. We attract African-Americans, Hispanic-Americans and Native Americans to business Ph.D. programs, and provide a network of peer support on their journey to becoming professors. As faculty, they serve as role models attracting and mentoring minority students while improving the preparation of all students for our diverse workplace and society.

SOUTH ASIAN MBA ASSOCIATION
SAMBAA is the premier association that connects South Asian MBAs and business professionals worldwide; the organization was founded to help develop and mentor a future leadership that
understands South Asian business. SAMBAA membership is open to all MBAs and business professionals with interest in South Asia.

WOMEN IN FINANCE
AFP's Women in Finance initiative focuses on professional development by providing research, publications, training and networking events. The Association for Financial Professionals (AFP) serves a network of more than 16,000 treasury and finance professionals.

WOMEN IN MANAGEMENT
The mission of Women in Management, Inc. is to promote the professionalism of members through education, development, encouragement and mentoring; to promote the growth of the organization to bring these services to other women throughout the nation and to encourage growth, networking and quality within existing chapters. Women in Management, Inc. is dedicated to the process of developing long-term, mutually beneficial relationships and cultivating new opportunities for collaboration through a supportive exchange of ideas and resources.

WOMEN IN PROJECT MANAGEMENT SPECIFIC INTEREST GROUP
While the types of services we provide are standard, we try to gear them with a female twist. Although our name and logo implies "women only," that's not the case--we also have men who are members. From the male perspective, WPM provides a unique opportunity to learn first-hand about both the similarities and differences in gender as applied to our field.
School of Education

Discipline/Subject Specific

AMERICAN COUNCIL ON EDUCATION
The American Council on Education represents the presidents of the United States accredited, degree-granting institutions, including two and four year colleges, private and public universities, as well as nonprofit and for profit groups. This knowledge base includes over 1,800 institutions with representatives to tackle challenges regarding higher education and improving access and preparation of students desiring higher learning opportunities.

AMERICAN EDUCATIONAL RESEARCH ASSOCIATION
The American Educational Research Association is a national research society, founded in 1916, that looks to extend knowledge of education, encourage scholarly inquiry related to education, and to promote the use of research to improve education and serve the public good.

AMERICAN SOCIETY FOR ENGINEERING EDUCATION
The American Society for Engineering Education is a nonprofit organization of individuals and institutions committed to furthering education in engineering and engineering technology. ASEE accomplishes this mission by promoting excellence in instruction, research, public service, and practice, exercising worldwide leadership, fostering the technological education of society, and providing quality products and services to members.

ASSOCIATION OF AMERICAN EDUCATORS
The Association of American Educators (AAE) is the largest national, non-union, professional educators’ organization, advancing the profession by offering a modern approach to teacher representation and educational advocacy, as well as promoting professionalism, collaboration and excellence without a partisan agenda.

CARNEGIE FOUNDATION FOR THE ADVANCEMENT OF TEACHING
Carnegie Foundation gathers researchers, teachers, designers, practitioners, students, and policymakers, organized as Networked Improvement Communities. These communities of thinkers and doers invent new knowledge and approaches. Carnegie inspires these innovators to design, develop, evaluate and refine tools, materials, roles, procedures, data and other artifacts and information that will improve teaching and learning.

COUNCIL FOR AID TO EDUCATION
CAE (the Council for Aid to Education) is a national nonprofit organization based in New York City. CAE was established in 1952 to conduct policy research on higher education and to promote corporate support of education. CAE offers the Collegiate Learning Assessment (CLA) and the College and Work Readiness Assessment (CWRA). To date more than 1,000 colleges and high schools have participated in the CLA and CWRA. Delivered on-line, the assessments use real-world problem solving tasks to measure student critical thinking skills.
COUNCIL FOR EXCEPTIONAL CHILDREN
The Council for Exceptional Children (CEC) is the largest international professional organization dedicated to improving the educational success of individuals with disabilities and/or gifts and talents. CEC advocates for appropriate governmental policies, sets professional standards, provides professional development, advocates for individuals with exceptionalities, and helps professionals obtain conditions and resources necessary for effective professional practice.

DIRECTORY OF MINORITY CANDIDATES
This is an on-line directory of minority Ph.D., M.F.A., and M.L.S. candidates and recipients at schools that are a part of the Committee on Institutional Cooperation (CIC). The Minority Directory, which is open to Native Americans, African Americans, and Hispanic Americans, in all fields and Asian Americans in humanities and social science, is a valuable resource for those looking to hire minorities from these fields. Those listed have completed the Ph.D. within the last year or expect to complete the degree within a year at one of the CIC institutions.

HOLMES PARTNERSHIP WEBSITE
The Holmes Partnership is a consortium of universities, public school districts, teachers associations, and local as well as national organizations. Holmes partnerships serve as a major vehicle to reform teaching and learning whether in a public school or a higher education setting.

NATIONAL COUNCIL ON MEASUREMENT IN EDUCATION
The National Council on Measurement in Education (NCME) is a professional organization for individuals involved in assessment, evaluation, testing, and other aspects of educational measurement. Members are involved in the construction and use of standardized tests; new forms of assessment, including performance-based assessment; program design; and program evaluation.

NATIONAL NETWORK FOR EDUCATIONAL RENEWAL NEWSLETTER
The NNER is a membership network dedicated to the simultaneous renewal of schools and the institutions that prepare our teachers. NNER’s work is based on the four-part mission of providing equal access to quality learning for all students, promoting responsible stewardship of our schools and universities, improving teaching and learning through pedagogy that nurtures and challenges all learners, and providing students with the knowledge, skills, and dispositions to become fully engaged participants in our democratic society.

NATIONAL SCIENCE TEACHERS ASSOCIATION
The National Science Teachers Association (NSTA), founded in 1944 and headquartered in Arlington, Virginia, is the largest organization in the world committed to promoting excellence and innovation in science teaching and learning for all. NSTA’s current membership of 60,000 includes science teachers, science supervisors, administrators, scientists, business and industry representatives, and others involved in and committed to science education.

NEW ENGLAND ASSOCIATION OF CHEMISTRY TEACHERS
NEACT was founded in 1898 by a group of high school and college teachers meeting at Malden, MA High School, and incorporated in Massachusetts in 1910. Today, its membership also includes middle school
teachers, administrators, and industrial associates interested in chemical education. The aim of NEACT is to promote the teaching and learning of chemistry.

**SPENCER FOUNDATION**
The Spencer Foundation, established in 1962, investigates how education can be improved around the world, through their dedication to research. The foundation provides fellowships and training programs to strengthen educational research. Major areas of focus include relations between education and social opportunity, organizational learning in schools, school systems and higher education institutions, instructional resources, as well as the true purposes and values of education.

**UNIVERSITY COUNCIL FOR EDUCATION ADMINISTRATION**
The University Council for Educational Administration is a consortium of higher education institutions committed to advancing the preparation and practice of educational leaders for the benefit of schools and children.

---

**Race/Gender Specific**

**ASSOCIATION OF LATINO ADMINISTRATORS AND SUPERINTENDENTS**
ALAS was formally established in the summer of 2003, and as an affiliate of the American Association of School Administrators (AASA), AASA has committed to partner in establishing ALAS to bring sharp focus to and support for Latino educational leaders and issues. AASA’s mission, as the professional organization for over 14,000 educational leaders across America, is to support and develop effective school system leaders.

**ASSOCIATION OF LATINO WORK EDUCATORS**
The ALWE looks to provide a permanent forum for the discussion of ideas and issues of particular relevance and significance to Hispanic educators, both prospective and practicing and to create a student support network for assisting Hispanic background education majors in a variety of academically-focused and professionally related ways.

**HISPANIC EDUCATION ASSOCIATION**
The Hispanic Education Association is a non-profit organization created to promote education. It offers assistance to Hispanic students, parents, and employees about issues related to education. The Hispanic Education Association is proud to serve the Hispanic community in the United States.

**NATIONAL ALLIANCE OF BLACK SCHOOL EDUCATORS**
The National Alliance of Black School Educators, whose membership is composed of more than 5,000 educators (inclusive of teachers, administrators, superintendents), and parents, corporate and institutional members devoted to furthering the academic success of the nation’s children - particularly children of African descent.
NATIONAL LATINO EDUCATION NETWORK
A broad spectrum of researchers, teaching professionals and educators, academics, scholars, administrators, independent writers and artists, policy and program specialists, students, parents, families, civic leaders, activists, and advocates. In short, those sharing a common interest and commitment to educational issues that impact Latinos.
School of Engineering

Discipline/Subject Specific

AMERICAN INSTITUTE OF CHEMICAL ENGINEERS
AIChE is the world’s leading organization for chemical engineering professionals, with nearly 40,000 members from 93 countries. The American Institute of Chemical Engineers (AIChE) is a highly respected, non-profit, professional society and the global leader of the chemical engineering profession for 100 years. The site has a job posting section and resume database.

AMERICAN SOCIETY FOR ENGINEERING EDUCATION
The American Society for Engineering Education is a nonprofit organization of individuals and institutions committed to furthering education in engineering and engineering technology. ASEE accomplishes this mission by promoting excellence in instruction, research, public service, and practice, exercising worldwide leadership, fostering the technological education of society, and providing quality products and services to members.

AMERICAN SOCIETY FOR MATERIALS
ASM International a society dedicated to serving the materials science and engineering profession. Through a network of 36,000 members worldwide, ASM provides authoritative information and knowledge on materials and processes, from the structural to the nanoscale.

AMERICAN SOCIETY OF AGRICULTURE AND BIOLOGICAL ENGINEERS
The American Society of Agricultural and Biological Engineers is an educational and scientific organization dedicated to the advancement of engineering applicable to agricultural, food, and biological systems. Agricultural, Food and Biological Engineers develop efficient and environmentally sensitive methods of producing food, fiber, timber, and renewable energy sources for an ever-increasing world population.

AMERICAN SOCIETY OF CIVIL ENGINEERS
The American Society of Civil Engineers (ASCE) represents more than 147,000 members of the civil engineering profession worldwide, and is America’s oldest national engineering society. ASCE’s vision is to position engineers as global leaders building a better quality of life.

AMERICAN SOCIETY OF MECHANICAL ENGINEERS
ASME is a not-for-profit professional organization that enables collaboration, knowledge sharing and skill development across all engineering disciplines, while promoting the vital role of the engineer in society. ASME codes and standards, publications, conferences, continuing education and professional development programs provide a foundation for advancing technical knowledge and a safer world.

AMERICAN SOCIETY OF SAFETY ENGINEERS
ASSE is secretariat for several American National Standards Institute (ANSI) committees and projects. ASSE organizes the committees that develop and maintain the standard(s), ensures that the revision
process is timely and in accordance with ANSI procedures and publishes the final product of the consensus process.

**ASPHALT INSTITUTE**
The Asphalt Institute is the preeminent center of excellence for asphalt supplier issues. The Asphalt Institute serves as the focal point for applications of new technology and creates a positive environment for sustained asphalt demand based on the highest standards of performance.

**ASSOCIATION OF ENVIRONMENTAL ENGINEERING AND SCIENCE PROFESSORS**
The Association of Environmental Engineering and Science Professors (AEESP) is made up of professors in academic programs throughout the world who provide education in the sciences and technologies of environmental protection. AEESP has more than 700 members in universities throughout the world.

**BIOMEDICAL ENGINEERING SOCIETY**
The Biomedical Engineering Society (BMES) is the full service professional society for biomedical engineering and bioengineering. BMES serves as the lead society and professional home for biomedical engineering and bioengineering. BMES' leadership in accreditation, potential licensure, publications, scientific meetings, global programs, diversity initiatives, and commitment to ethics all serve its mission to promote and enhance knowledge and education in biomedical engineering and bioengineering worldwide and its utilization for the health and wellbeing of humankind.

**CHEMICAL & ENGINEERING NEWS**
Chemical & Engineering News is a weekly magazine published by the American Chemical Society. C&EN editors and reporters based in Europe, the U.S., and Asia cover science and technology, business and industry, government and policy, education, and employment aspects of the chemistry field.

**CIVIL ENGINEERING MAGAZINE**
*Civil Engineering* is the premier magazine of the civil engineering profession and presents information about significant projects, events, and issues of interest to civil engineers. Although it is not a technical publication, the magazine covers topics in depth and the mix of articles included in each issue is designed to appeal to a broad range of readers, who represent the full spectrum of civil engineering disciplines.

**CONSORTIUM FOR ENERGY EFFICIENCY**
The Consortium for Energy Efficiency (CEE), a nonprofit public benefits corporation, develops initiatives for its North American members to promote the manufacture and purchase of energy-efficient products and services. The goal of CEE is to induce lasting structural and behavioral changes in the marketplace, resulting in the increased adoption of energy-efficient technologies.

**ENGCEN WEBSITE**
Engineering Central is a tightly targeted site for engineers, with the vast majority seeking employment. The site offers a high-service job ad program.
ENGINEER JOBS WEBSITE
On Engineer Jobs.com, engineers looking for employment are able to search for every engineering job available on the Internet.

ENGINEERING IN MEDICINE AND BIOLOGY
IEEE Engineering in Medicine and Biology Society (EMBS) is the world's largest international society of biomedical engineers. The organization's 8,200 members reside in some 70 countries around the world.

ENGINEERING NEWS RECORD
ENR provides the business and technical news needed by anyone who makes a living in or from the construction industry, covering major projects, technological achievements, business conditions, markets, finance, costs, legislation, government, management, labor, construction methods, equipment and materials.

ENVIRONMENTAL ENGINEERING AND SCIENCE PROFESSORS ASSOCIATION
The Association of Environmental Engineering and Science Professors (AEESP) is made up of professors in academic programs throughout the world who provide education in the sciences and technologies of environmental protection. The Association assists its members in improving education and research programs, encourages graduate education, and serves the profession by providing information to government agencies and the public, and provides direct benefits to its members.

INSTITUTE OF ELECTRICAL AND ELECTRONICS ENGINEERS ENGINEERING IN MEDICINE AND BIOLOGY SOCIETY
IEEE Engineering in Medicine and Biology Society (EMBS) is the world's largest international society of biomedical engineers. The organization's 8,200 members reside in some 70 countries around the world. It provides its members with access to the most fascinating people, practices, information, ideas, and opinions, from one of science's fastest growing fields.

INSTITUTE OF TRANSPORTATION ENGINEERS
The Institute of Transportation Engineers is an international educational and scientific association of transportation professionals who are responsible for meeting mobility and safety needs. ITE facilitates the application of technology and scientific principles to research, planning, functional design, implementation, operation, policy development and management for any mode of ground transportation.

JOBS FOR PhD’s SCIENCE, MATH, AND ENGINEERING
This site helps PhD’s match up with employers. This site allows for people with PhD’s to search open positions only for PhD’s and to post their resume.

JOURNAL OF THE MINERALS, METALS, AND MATERIALS SOCIETY
Published monthly by The Minerals, Metals & Materials Society (TMS), JOM is a technical journal devoted to exploring the many aspects of materials science and engineering. JOM reports scholarly work that explores the state-of-the-art processing, fabrication, design, and application of metals, ceramics, plastics, composites, and other materials. In pursuing this goal, JOM strives to balance the
interests of the laboratory and the marketplace by reporting academic, industrial, and government-sponsored work from around the world.

**NATIONAL SOCIETY OF PROFESSIONAL ENGINEERS**
NSPE, in partnership with the State Societies, is the organization of licensed Professional Engineers (PEs) and Engineer Interns (EIs). Through education, licensure advocacy, leadership training, multi-disciplinary networking, and outreach, NSPE enhances the image of its members and their ability to ethically and professionally practice engineering.

**Race/Gender Specific**

**AMERICAN ASSOCIATION OF BLACKS IN ENERGY**
The American Association of Blacks in Energy (AABE) serves as a resource for discussion on how environmental and energy policies impact African American and other minorities, economically, socially and politically. In addition, AABE involves African Americans in government energy policy making and encourages African American students to pursue careers in energy-related fields and to provide scholarship and financial assistance for such students. To help African Americans in society, AABE encourages public and private sectors to listen and be responsive to problems and goals of African Americans in energy related fields.

**AMERICAN INDIAN COUNCIL OF ARCHITECTS AND ENGINEERS**
The American Indian Council of Architects and Engineers is a non-profit organization comprised of American Indian architecture, engineering, and design professionals throughout the United States of America.

**AMERICAN INDIAN SCIENCE & ENGINEERING SOCIETY**
The AISES mission is to increase substantially the representation of American Indian and Alaskan Natives in engineering, science and other related technology disciplines. AISES’ membership is comprised of professionals, students, educators, and others in science, engineering and related technical fields. The Career Services page lists job openings and provides access to a resume database.

**COMMITTEE ON WOMEN IN SCIENCE, ENGINEERING, AND MEDICINE**
CWSEM is a standing committee of the National Research Council (NRC). Its mandate is to coordinate, monitor, and advocate action to increase the participation of women in science, engineering, and medicine. Established in 1990 as CWSE, the committee expanded its scope in 2007 to include medicine.

**FACULTY FOR THE FUTURE**
FacultyForTheFuture.org is the only website dedicated to linking a diverse pool of women and under-represented minority candidates from engineering, science, and business with faculty and research positions at universities across the country. It was developed by Barbara Bogue and College of Engineering of The Pennsylvania State University as part of the Penn State GE Foundation Faculty for the
Future Project and was merged into the capstone FFF WEPAN grants as part of multi-institution/organization collaboration.

**FORD FOUNDATION FELLOWS**
Ford Foundation Fellows recipients include Alaskan natives (Eskimo or Aleut), Native American Indians, Black/African Americans, Mexican Americans/Chicanos, Native Pacific Islanders (Polynesian or Micronesian) and Puerto Ricans in physical and life sciences, mathematics, behavioral and social sciences, engineering, and humanities. This directory contains contact information for Ford Foundation Postdoctoral fellowship recipients awarded since 1980 and 1986. This database only includes those awards administered by the National Research Council.

**GREAT MINDS IN STEM**
Great Minds in STEM™ is the gateway for Hispanics in Science, Technology, Engineering and Mathematics (STEM). Established in 1989, as HENAAC, Great Minds in STEM™ is a non-profit organization that focuses on STEM educational awareness programs for students from kindergarten to career. Great Minds in STEM™ provides resources for recognition and recruitment of Hispanics in STEM on a national level, connecting multi-areas of engineering and science arenas to the general population.

**IEEE WOMEN IN ENGINEERING**
IEEE Women in Engineering (WIE) is the largest international professional organization dedicated to promoting women engineers and scientists and inspiring girls around the world to follow their academic interests to a career in engineering.

**LATINOS IN SCIENCE AND ENGINEERING**
MAES was founded in 1974 to increase the number of Mexican Americans and other Hispanics in the technical and scientific fields. MAES promotes, cultivates, and honors excellence in education and leadership among Latino engineers and scientists.

**MINORITY ENGINEER MAGAZINE**
launched in 1979, is a career-guidance and recruitment magazine offered at no charge to qualified engineering or computer-science students and professionals who are African American, Hispanic, Native American, and Asian American. Minority Engineer presents career strategies for readers to assimilate into a diversified job marketplace. This magazine reaches minority engineers and students nationwide at their home addresses, colleges and universities, and chapters of student and professional organizations.

**MINORITY POSTDOC**
MinorityPostdoc.org is the premier web portal on the minority postdoctoral experience especially in the science, technology, engineering, and math (STEM) disciplines. We feature articles, resources, & events about career advice, professional development, jobs, funding, fellowships, mentoring, and diversity issues.

**NATIONAL ACTION COUNCIL FOR MINORITIES IN ENGINEERING**
The mission of the National Action Council for Minorities in Engineering is to insure American resilience in a flat world by leading and supporting the national effort to expand U.S. capability by increasing the
number of successful African American, American Indian, and Latino women and men in science, technology, engineering and mathematics (STEM) education and careers.

NATIONAL ASSOCIATION OF MULTICULTURAL ENGINEERING PROGRAM ADVOCATES
NAMEPA is a national network of educators and representatives from industry, government, and nonprofit organizations who share a common commitment to improving the recruitment and retention of African Americans, Hispanics, and American Indians earning degrees in engineering. As a recognized authority in minority engineering education, NAMEPA promotes the professional development of its members and serves as an advocate for and resource to those programs and organizations that seek to recruit, educate, and employ diverse engineering talent.

NATIONAL GEM CONSORTIUM
The mission of The National GEM Consortium is to enhance the value of the nation's human capital by increasing the participation of underrepresented groups (African Americans, American Indians, and Hispanic Americans) at the master's and doctoral levels in engineering and science. Gem is a unique and powerful connection to a national network of universities and employers. This partnership promotes the participation of underrepresented groups in post-graduate science and engineering education and the technical workforce.

NATIONAL NETWORK FOR MINORITY WOMEN IN SCIENCE
This website provides multiple links to various websites regarding women in the field of science and different career opportunities.

NATIONAL ORGANIZATION FOR THE PROFESSIONAL ADVANCEMENT OF BLACK CHEMISTS & CHEMICAL ENGINEERS
NOBCChE is committed to the discovery, transmittal, and application of knowledge in the fields of science and engineering. The mission of NOBCChE therefore is to build an eminent community of scientists and engineers by increasing the number of minorities in these fields. NOBCChE will achieve its mission through diverse programs designed to foster professional development and encourage students to pursue careers in science and technical fields. To this end, NOBCChE establishes educational partnerships with school districts, municipalities, businesses, industries, other institutions and organizations in the public and private sectors.

NATIONAL ORGANIZATION OF GAY AND LESBIAN SCIENTISTS AND TECHNICAL PROFESSIONALS
The National Organization of Gay and Lesbian Scientists and Technical Professionals is a national organization of gay, lesbian, bisexual, and transgender people (and their advocates) employed or interested in scientific or high technology fields. NOGLSTP’s goals include educating the scientific and general communities about LGBT issues in science and the technical workplace; educating the queer community about relevant topics in science; dialogue with professional societies and associations; improving members employment and professional environment; opposing queer phobia and stereotypes by providing role models of successful LGBT scientific and technical professionals; and fostering networking and mentoring among our members.
NATIONAL SOCIETY OF BLACK ENGINEERS
The National Society of Black Engineers (NSBE) is a 501(C) (3) non-profit association that is owned and managed by its members. The organization is dedicated to the academic and professional success of African-American engineering students and professionals. NSBE offers its members leadership training, professional development, mentoring opportunities, career placement services and more. NSBE is comprised of more than 250 collegiate, 68 professional and 99 pre-college active chapters nationwide and overseas.

NATIONAL TECHNICAL ASSOCIATION
TA architectural, engineering and scientific membership volunteers its services nationally to assist public institutions in identifying potential minority technical talent. Public Institutions where the service is encouraged includes high schools, colleges and in the recent past, penal institutions. NTA has spent the ensuing years gaining nation attention through its programs of encouragement to students and professionals alike. The organization has enlarged its goals beyond just gaining economic recognition to include making minority youth aware of the opportunities being made available to them.

SOCIETY OF HISPANIC PROFESSIONAL ENGINEERS
The Society of Hispanic Professional Engineers (SHPE) was founded with the objective was to form a national organization of professional engineers to serve as role models in the Hispanic community.

SOCIETY OF WOMEN ENGINEERS
The Society of Women Engineers (SWE), founded in 1950, is a not-for-profit educational and service organization. SWE is the driving force that establishes engineering as a highly desirable career aspiration for women. SWE empowers women to succeed and advance in those aspirations and be recognized for their life-changing contributions and achievements as engineers and leaders.

WOMEN IN ENGINEERING LEADERSHIP INSTITUTE
The Women in Engineering Leadership Institute (WELI) was established in 2000. WELI aims to develop a group of highly capable women engineering faculty and ensure that they are prepared to assume academic leadership roles across the country where they can transform engineering education both through their presence and by taking initiative to increase diversity. WELI provides training, mentoring, and networking opportunities to female engineering faculty who aspire to academic leadership in engineering schools.

WOMEN IN ENGINEERING PROGRAMS ADVOCATES NETWORK
Women in Engineering ProActive Network (WEPAN) is a national not-for-profit organization with over 600 members from engineering schools, small businesses, Fortune 500 corporations, and non-profit organizations. WEPAN works to transform culture in engineering education to attract, retain, and graduate women. With a clear focus on research-based issues and solutions, WEPAN helps its members develop a highly prepared, diverse engineering workforce for tomorrow.

WOMEN IN TECHNOLOGY INTERNATIONAL
With a global network of smart, talented women and a market reach exceeding 2 million, WITI has powerful programs and partnerships that provide connections, resources, opportunities and a
supportive environment of women committed to helping each other. Along with its professional association of Networks throughout the U.S. and worldwide, including Hong Kong, Great Britain, Australia, and Mexico, WITI delivers value for individuals that work for a company, the government or academia, as well as small business owners.
School of Fine Arts

**Discipline/Subject Specific**

**THE AMERICAN INSTITUTE OF GRAPHIC ARTISTS**
AIGA, the professional association for design, is the place design professionals turn to first to exchange ideas and information, participate in critical analysis and research and advance education and ethical practice.

**AMERICAN SOCIETY OF COMPOSERS, AUTHORS AND PUBLISHERS**
the American Society of Composers, Authors and Publishers (ASCAP), a membership association of more than 460,000 US composers, songwriters, lyricists and music publishers of every kind of music. Through agreements with affiliated international societies, ASCAP also represents hundreds of thousands of music creators worldwide.

**THE ASSOCIATION OF RESEARCH INSTITUTES IN ART HISTORY**
The Association of Research Institutes in Art History (ARIAH) was incorporated in 1988 to promote scholarship by institutes of advanced research in the history of art and related disciplines; to provide general information about the scholarly activities of its member institutes; and to develop cooperative projects and programs. It currently consists of twenty-four member institutions.

**COLLEGE ART ASSOCIATION**
CAA includes among its members those who by vocation or avocation are concerned about and/or committed to the practice of art, teaching, and research of and about the visual arts and humanities. Over 12,000 artists, art historians, scholars, curators, critics, collectors, educators, publishers, and other professionals in the visual arts belong as individual members. Another 2,000 departments of art and art history in colleges and universities, art schools, museums, libraries, and professional and commercial organizations hold institutional memberships.

**COLLEGE MUSIC SOCIETY**
The College Music Society promotes music teaching and learning, musical creativity and expression, research and dialogue, and diversity and interdisciplinary interaction. A consortium of college, conservatory, university, and independent musicians and scholars interested in all disciplines of music, the Society provides leadership and serves as an agent of change by addressing concerns facing music in higher education.

**INTERNATIONAL COMMISSION FOR ACOUSTICS**
The purpose of the ICA is to promote international development and collaboration in all fields of acoustics including research, development, education, and standardization.

**INTERNATIONAL COUNCIL OF FINE ARTS DEANS**
The International Council of Fine Arts Deans’ (ICFAD) membership is comprised of over 400 arts deans throughout North America and around the world. ICFAD is an organization focusing exclusively on
issues that impact all creative units in higher education including fine and performing arts, arts education, art history, architecture and communication.

JOURNAL OF PERFORMING ARTS LEADERSHIP IN HIGHER EDUCATION
The Journal of Performing Arts Leadership in Higher Education is a peer-reviewed journal dedicated to the enrichment of leadership in the performing arts in higher education. Goals of the JPALHE are to promote scholarship applicable to performing arts leadership, to provide juried research in the field of performing arts leadership, and to disseminate information, ideas and experiences in performing.

NATIONAL ART EDUCATION ASSOCIATION
This dynamic community of practice is where visual arts teachers, scholars, researchers and professors, students, administrators, and art museum educators, and artists come together around a shared belief in the power of the arts in developing human potential.

NATIONAL ASSOCIATION OF SCHOOLS OF MUSIC
NASM is an association of approximately 641 schools of music, primarily at the collegiate level, but also including postsecondary non-degree-granting schools of music. The Association also provides information to the public. It produces statistical research, provides professional development for leaders of music schools, and engages in policy analysis.

NATIONAL GUILD FOR COMMUNITY ARTS EDUCATION
Founded in 1937, the National Guild for Community Arts Education supports and advances access to lifelong learning opportunities in the arts. The National Guild for Community Arts Education fosters the creation and development of community arts education organizations by providing research and information resources, professional development, networking opportunities and funding, and by advocating on behalf of the field.

THEATRE IN HIGHER EDUCATION
The Association for Theatre in Higher Education (ATHE) is a comprehensive non-profit professional membership organization. Founded in 1986, ATHE serves the interests of its diverse individual and organizational members, including college and university theatre departments and administrators, educators, graduate students, and theatre practitioners.

UNIVERSITY/RESIDENT THEATRE ASSOCIATION
The University/Resident Theatre Association (U/RTA) advances theatre by connecting educational theatre programs with professional theatre and performing arts industries, promoting professional practices and artistic excellence in higher education, and assisting students with their transition into the profession.
Race/Gender Specific

**ARTTABLE**
ArtTable is dedicated to the visual arts and to advancing women’s leadership in the field. Through activities and initiatives ArtTable, a non-profit organization, is dedicated to supporting women leaders in the visual arts at all stages of their careers, recognizing and promoting the achievements of outstanding women in the visual arts, increasing opportunities for professional women in the visual arts, and enriching the nation’s cultural life.

**BLACK THEATRE NETWORK**
BTN’s function is to expose the beauty and complexity of the inherited theatre work of African American ancestors and to take this work to a higher level into the 21st century and beyond. BTN seeks to unite those who share this rich inheritance to assure everyone works together.

**INTERNATIONAL ALLIANCE FOR WOMEN IN MUSIC**
The International Alliance for Women in Music builds awareness of women’s contributions to musical life through its publications, website, international competitions, conferences, concert promotion, and presentation, and through its support of entrepreneurial and publishing activities, scholarly research and publications, broadcasts, educational initiatives, and advocacy work. The IAWM was incorporated in the USA in 1994, uniting three distinguished organizations; the International Congress on Women in Music, the American Women Composers, and the International League of Women Composers.

**NATIONAL ALLIANCE OF ARTISTS FROM HISTORICALLY BLACK COLLEGES & UNIVERSITIES**
The Mission of The National Alliance of Artists from HBCU’s (NAAHBCU) is to bring Art and Art Education to the forefront of member institutions and to keep these programs as institutional priorities for generations to come. The Alliance is committed to developing in its members and especially students, the artistic and life skills needed to function as literate citizens in the society of today and in the future. The NAAHBCU also exists to provide comprehensive activities that offer artistic and expressive opportunities for professional artists employed or formerly employed at member institutions as well as for historians and curators, collectors, and friends of the arts.

**NATIONAL ASSOCIATION FOR THE STUDY AND PERFORMANCE OF AFRICAN-AMERICAN MUSIC**
The National Association for the Study and Performance of African American Music was organized in 1972 in Atlanta, Georgia as the National Black Music Caucus. Two-hundred black musicians attending the biennial meeting of the *Music Educators National Conference* gathered at Morehouse College to protest their exclusion from MENC divisional and national Planning sessions and programs. NASPAAM now exists as a non-profit professional organization whose members are dedicated to promoting, performing, and preserving all facets of African American music.

**NATIONAL ASSOCIATION OF LATINO ARTS AND CULTURES**
The National Association of Latino Arts and Cultures (NALAC) is the nation's leading nonprofit organization exclusively dedicated to the promotion, advancement, development, and cultivation of the
Latino arts field. In this capacity, NALAC stimulates and facilitates intergenerational dialogues among disciplines, languages, and traditional and contemporary expressions.

ORGANIZATION OF BLACK DESIGNERS
The Organization of Black Designers (OBD) is a multicultural, multidisciplinary professional association of more than 10,000 members located throughout the United States and world committed to the increased visibility, empowerment and support of its membership.

THE SOCIETY FOR ETHNOMUSICOCOPY
The Society for Ethnomusicology was founded in 1955 to promote the research, study, and performance of music in all historical periods and cultural contexts. SEM is a U.S.-based organization with an international membership of over 1800 individuals dedicated to the study of all forms of music from diverse humanistic and social scientific perspectives. EM’s individual members include scholars, teachers, students, performers, media professionals, museum specialists, archivists, librarians, and administrators from such disciplines as musicology, anthropology, folklore, cultural studies, ethnic and area studies, acoustics, and music education. As a network of individuals that reaches across countries, disciplines, and academic institutions, the Society serves as a leading forum for the production, exchange, and peer review of scholarship on the world’s music.

WOMEN’S CAUCUS FOR ART
The mission of the Women’s Caucus for Art is to create community through art, education, and social activism. WCA is committed to recognizing the contributions of women in the arts, providing women with leadership opportunities and professional development, expanding networking and exhibition opportunities for women, supporting local, national, and global art activism, and advocating for equity in the arts for all.

WOMEN IN THE ARTS & MEDIA COALITION
The purpose of the Coalition is to focus the power of member organizations together and to use that combined strength to address issues of concern to women in theatre, film, tv, radio, and new media. The Coalition is committed to being the link between member organizations in the collaborative effort to impact the various topics that affect women in the industry through advocacy, networking, and events.
School of Law

Discipline/Subject Specific

AMERICAN ASSOCIATION OF LAW SCHOOLS
The AALS is a non-profit educational association of 171 law schools representing over 10,000-law faculty in the United States. AALS is a resource for the improvement of the quality of legal education by networking law school faculty, professional staff and deans to information and resources. AALS is the principal representative of legal education to the federal government, other national higher education organizations, learned societies, and international law schools.

ASSOCIATION FOR LEGAL CAREER PROFESSIONALS
NALP is dedicated to continuously improving career counseling and planning, recruitment and retention, and the professional development of law students, lawyers, and its members.

ATTORNEY JOBS
AttorneyJobs.com, part of Thomson Reuters, is a job site exclusively for attorneys, containing thousands of jobs nationwide and abroad covering legal and law-related job opportunities in law firms; corporations; public interest/advocacy groups; Federal, state and local governments; Federal, state and local courts; legal service organizations; international organizations; colleges and universities; as well as information about RFPs/appointments and fellowships.

CLINICAL LEGAL EDUCATION ASSOCIATION
The Clinical Legal Education Association exists to advocate for clinical legal education as fundamental to the education of lawyers. CLEA and its members seek to foster excellent teaching and scholarship by clinical educators, integrate clinical teaching and extend its methods into the legal education program of every law school, reform legal education so as to prepare law students for excellent and reflective law practice, advance regulation of legal education that insures the continued vitality of clinical education in law schools, and pursue and promote justice and diversity as core values of the legal profession.

CONNECTICUT TRIAL LAWYERS ASSOCIATION
The Connecticut Trial Lawyers Association is a non-profit association dedicated to creating and maintaining a more just society by preserving individual rights within the civil justice system.

CONNECTICUT LAW TRIBUNE MAGAZINE
Headquartered in Hartford Connecticut, The Law Tribune's Publication are the region's source for current legal, financial, and technology news. The Law Tribune is a member of the ALM publishing family, a leading integrated media company focused on the legal industry. ALM currently owns and publishes 35 national and regional legal magazines and newspapers, including The American Lawyer, and The National Law Journal.
GREATER DANBURY BAR ASSOCIATION
The website provides easy access to legal associations throughout the Greater Danbury area. It provides access to look up attorneys, Connecticut Legal Services, and the Connecticut Bar Association.

LAWCROSSING.COM
LawCrossing offers the largest collection of active legal jobs in the world. LawCrossing locates and classifies jobs on every source it can find and provides its highly specialized research to job seekers, recruiters and other job sites throughout North America.

Lawjobs.com
Law.com connects legal professionals to more than 20 award-winning national and regional legal publications online, including The American Lawyer, The National Law Journal, New York Law Journal, and Legal Times, and delivers top legal news electronically to a growing national and global audience of subscribers each day on The Newswire.

NATIONAL ASSOCIATION OF COLLEGE AND UNIVERSITY ATTORNEYS
The Association's purpose is to enhance legal assistance to colleges and universities by educating attorneys and administrators as to the nature of campus legal issues. It has an equally important role to play in the continuing legal education of university counsel. In addition, NACUA produces legal resources, offers continuing legal education programming, maintains a listserv (NACUANET) and a variety of member-only web-based resources pages, and operates a clearinghouse through which attorneys on campuses are able to share resources, knowledge and work products on current legal concerns and interests. Primarily, NACUA's members are non-profit, regionally accredited institutions of higher education in the United States, Canada, and further abroad.

PSLAW NET WEBSITE
PSLawNet – the Public Service Law Network – is the online clearinghouse for law students and lawyers to connect with public interest opportunities and information on public interest careers. As a collaborative project among over 200 American and Canadian law schools, PSLawNet is a free resource for law students and alumni of our subscriber schools to search among thousands of public interest job opportunities and employer profiles. Employer organizations may also post job opportunities for free. In addition to its database, PSLawNet offers an online library of educational and career-building resources for those interested in pursuing a career in public service.

Race/Gender Specific

ASIAN PACIFIC AMERICAN BAR ASSOCIATION
The National Asian Pacific American Bar Association (NAPABA) is the national association of Asian Pacific American (APA) attorneys, judges, law professors, and law students, providing a national network for its members and affiliates. NAPABA advocates for the legal needs and interests of the APA community and represents the interests of over 40,000 attorneys and 50 local APA bar associations, with practice
settings ranging from solo practices to large firms, corporations, legal services, organizations, non-profit organizations, law schools, and governmental agencies.

ASSOCIATION OF BLACK WOMEN ATTORNEYS
ABWA's mission is to promote and support the professional development and growth of African-American women attorneys. ABWA accomplishes this mission through a wide variety of monthly programs designed to establish and maintain an effective information and communication system for female attorneys of color, promote legal assistance in the African-American community and assist its members in the development and expression of their professional skills and talents.

CONNECTICUT ASIAN PACIFIC AMERICAN BAR ASSOCIATION
The Connecticut Asian Pacific American Bar Association (CAPABA) is the only association focused towards all Asian Pacific American attorneys in Connecticut. CAPABA’s membership consists of attorneys, law professors, law students and other interested individuals. Membership in CAPABA automatically includes membership in the National Asian Pacific American Bar Association (NAPABA) that is the voice of over 40,000 Asian Pacific American attorneys nationwide through over 45 chapters and affiliates.

CONNECTICUT HISPANIC BAR ASSOCIATION (CHBA)
The CHBA is an organization that includes attorneys, law students and paralegal members, as well as professors and members of the judiciary. The CHBA focuses on enhancing professional opportunities for Hispanic attorneys, serving as mentors to new lawyers and law students, and helping private and public legal employers achieve their diversity goals.

CRAWFORD BLACK BAR ASSOCIATION
The George W. Crawford Black Bar Association (“Crawford”) is a volunteer state-wide organization of attorneys, judges, and law students in the State of Connecticut. Crawford represents the collective body of Black attorneys in Connecticut, including both the criminal and civil bar, public and private sector employees, and spanning across law firm, corporate and non-profit affiliations.

HISPANIC NATIONAL BAR ASSOCIATION
The HNBA Career Center is the exclusive resource to provide professional services to our local and national members who seek assistance with their own professional advancement. Full job descriptions are available to HNBA members only.

JD DIVERSITY
JD Diversity is committed to making the legal profession more inclusive and diverse. JD Diversity seeks to fulfill this commitment by providing an online community of diverse law students, professors, practitioners, and legal employers, allowing for information-sharing and honest communication. JD Diversity views diversity as encompassing race, gender, sexual orientation, disability, and familial status. By creating this community, JD Diversity aims to ultimately help diverse attorneys achieve full inclusion and reach their highest potential within their places of employment, and in the profession at large.
KOREAN AMERICAN LAWYERS ASSOCIATION OF GREATER NEW YORK
The Korean American Lawyers Association of Greater New York (KALAGNY) is a professional membership organization of attorneys and law students concerned about issues affecting the Korean American community in greater New York. KALAGNY seeks to encourage the professional growth of its members as well as provide legal support for the Korean American community.

LATINA LAWYERS BAR ASSOCIATION
LLBA recognizes that Latinas bring tremendous talents and perspective to the practice of law, yet Latinas face unique challenges in the attempt to succeed in the legal profession. In the twelve years since its formation, LLBA has worked diligently to provide Latinas with a community of support, together with specific resources and tools to allow them to achieve their greatest potential.

LAWYERS COLLABORATIVE FOR DIVERSITY
The Lawyers Collaborative for Diversity’s goal is to increase the recruitment, retention and advancement of lawyers of color, not only as good social policy, but also as exemplary business practice and unite the resources, energy and commitment of Connecticut’s leading law firms, corporations, public sector entities, law schools and state bar associations in the joint mission of making Connecticut a more attractive place for lawyers of color and women to practice law and find satisfying professional opportunities.

MASSACHUSETTS BLACK LAWYERS ASSOCIATION
The Massachusetts Black Lawyers Association (MBLA) provides a valuable network and visible presence for attorneys of color within the Massachusetts legal community. The MBLA is responsible for providing its membership professional development and career advancement through trainings, continued education and mentorship programs.

METROPOLITAN BLACK BAR ASSOCIATION
The Metropolitan Black Bar Association (MBBA), works to advance equality and excellence in the pursuit of justice, aid the progress of Blacks and other minorities in the profession, address legal issues affecting the citywide community, and foster the study of law by encouraging the personal and professional development of young lawyers and law students. MBBA is comprised of mostly minority attorneys in large and small law firms, solo practitioners, all levels of government, academia, corporations, financial institutions, not-for-profit organizations, and the judiciary.

NATIONAL ASSOCIATION OF WOMEN LAWYERS
The National Association of Women Lawyers (NAWL) is a national voluntary legal professional organization devoted to promoting the interests and progress of women lawyers and women's legal rights. NAWL continues to support and advance the interests of women in and under the law, and in so doing, supports and advances the social, political, and professional empowerment of women. Through its programs and networks, NAWL provides the tools for women in the profession to advance, prosper and enrich the profession.

NATIONAL BLACK LAW STUDENTS ASSOCIATION
The National Black Law Students Association (NBLSA) is the nation's largest student-run organization
representing nearly 6,000 minority law students from over 200 chapters and affiliates throughout the United States and six other countries.

NATIONAL BLACK TRIAL LAWYERS ASSOCIATION
The National Black Trial Lawyers Association is a networked group of attorneys who strive to seek justice and equality in our legal system. The goal is to enable members to draw upon the specialty association's strong training, educational and networking resources so they may have benefits that were either unavailable or difficult to find on their own.

NATIONAL LGBT BAR ASSOCIATION
The National LGBT Bar Association is a national association of lawyers, judges and other legal professionals, law students, activists and affiliated lesbian, gay, bisexual and transgender legal organizations. The LGBT Bar promotes justice in and through the legal profession for the LGBT community in all its diversity.

NATIONAL NATIVE AMERICAN BAR ASSOCIATION
Representing Indian Nations not just Indian Lawyers. NNABA shares many of the same goals of diversity and increased understanding of THE communities' unique cultural and legal issues with minority bar associations. However, most of NNABA's lawyers are both U.S. citizens and citizens of their respective Tribal nations. Members, therefore, also share the communal responsibility, either directly or indirectly, of protecting the governmental sovereignty of the more than 560 independent Native American Tribal governments in the United States.

PUERTO RICAN BAR ASSOCIATION
The Puerto Rican Bar Association, Inc. (PRBA) was founded in 1957 by a group of Puerto Rican and Latino attorneys who began gathering socially to offer one another both personal and professional support in an era when it was difficult for attorneys of color to be accepted as members in established bar associations. Today, the PRBA has grown from a handful of attorney to over 500 members representing the interests of attorneys, judges, law professors and students of Latino descent who share a common interest in fostering professional development in the legal community and addressing issues that are important to other Latino communities as a whole.

SOUTH ASIAN BAR ASSOCIATION
The South Asian Bar Association of Connecticut (SABAC) was formed in 2003 to serve as a resource to South Asian lawyers and law students for mentoring, networking, and community outreach. SABAC has made significant strides in these areas in the past six years. SABAC is a member organization of the North American South Asian Bar Association (NASABA) and has played an active role in NASABA.
School of Nursing

Discipline/Subject Specific

AMERICAN ACADEMY OF NURSING
The Academy serves the public and the nursing profession by advancing health policy and practice through the generation, synthesis, and dissemination of nursing knowledge. The Academy and its members create and execute knowledge-driven and policy-related initiatives to drive reform of America’s health care system. The website includes a job postings page and options for an e-newsletter.

AMERICAN ASSOCIATION OF COLLEGES OF NURSING
AACN’s educational, research, federal advocacy, data collection, publications, and special programs work to establish quality standards for nursing education; assist deans and directors to implement those standards; influence the nursing profession to improve health care; and promote public support for professional nursing education, research, and practice.

CAMPUS RN
Campus RN is a website to search for nursing jobs throughout the country.

CONNECTICUT LEAGUE FOR NURSING
At the Connecticut League for Nursing (CLN), we are dedicated to expanding educational access and opportunity for all practitioners and students. Our mission is to create better, easier ways to access the latest information, earn additional academic degrees, and help you develop the knowledge, skills, and competencies needed to advance your career. We also provide programs and opportunities to develop your leadership skills.

JOURNAL OF NURSING SCHOLARSHIP
Reaching health professionals, faculty and students in 103 countries, the Journal of Nursing Scholarship is focused on health of people throughout the world. It is the official journal of the Honor Society of Nursing, Sigma Theta Tau International, and reflects the honor society’s dedication to providing the tools necessary to improve nursing care globally.

NATIONAL LEAGUE FOR NURSING
NLN is the preferred membership organization for nurse faculty and leaders in nursing education. NLN members include nurse educators, education agencies, health care agencies, and interested members of the public. The NLN offers faculty development programs, networking opportunities, testing and assessment, nursing research grants, and public policy initiatives to its 30,000 individual and 1,200 institutional members.

NURSING ORGANIZATION LINKS
This website helps to provide users with links to national nursing organizations.
Race/Gender Specific

AMERICAN ASSEMBLY FOR MEN IN NURSING
The purpose of AAMN is to provide a framework for nurses as a group to meet, discuss, and influence factors which affect men as nurses. AAMN is a national organization with local chapters recognized and sanctioned under the Bylaws of AAMN. Members of AAMN have a voice in local, state, and national events that impact nursing and male nurses.

ASIAN AMERICAN/PACIFIC ISLANDER NURSES ASSOCIATION
AAPINA is an organization for all professional nurses and nursing students Asian/Pacific Islander heritage.

DIVERSITYNURSING.COM
DiversityNursing.com was born in 2007 as a Career Job Board and Information Resource for Nurses regardless of age, race, gender, religion, education, national origin, sexual orientation, disability or physical characteristics. This is a “niche” website for Nurses of all levels of experience — Student Nurses up to CNO’s. DiversityNursing strives to be the first place Nurses look to for job opportunities and information as it pertains to the Nursing profession, careers, education and diversity.

JOURNAL OF NATIONAL BLACK NURSES ASSOCIATION
The NBNA goals include support for the development of a cadre of ethnic nurses reflecting the nation's diversity; advocacy for culturally competent, accessible and affordable health care; promotion of the professional and educational advancement of ethnic nurses; education of consumers, health care professionals and policy makers on health issues of ethnic minority populations; development of ethnic minority nurse leaders in areas of health policy, practice, education and research; endorsement of best practice models of nursing practice, education, and research for minority populations.

MALE NURSE MAGAZINE
Male Nurse Magazine is free and offered exclusively online. Male Nurse Magazine was established over five years ago and gives out nursing information at no cost.

MINORITYNURSE.COM
MinorityNurse.com provides resources and information pertaining to education, career development, and minority health for the growing population of minority nurses in America. The Web site features several unique resources that focus on career advancement and higher education. Nursing Employers provides contact information for every hospital in the country, as well as a list of featured employers that are actively hiring nurses and allied health personnel.

NATIONAL ASSOCIATION OF HISPANIC NURSES
NAHN is designed and committed to improving the quality of health and nursing care of Hispanic consumers and toward providing equal access to educational, professional, and economic opportunities for Hispanic nurses.
NATIONAL ASSOCIATION OF INDIAN NURSES OF AMERICA
The National Association of Indian Nurses of America (NAINA) is a not-for-profit organization. NAINA is organized with unique mission and goals. The primary goal is to unite all Indian nurses and nursing students of Indian origin and heritage as a professional body under one umbrella at National level. NAINA will be the official voice for Indian nurses in America and outside for professional nursing issues and problems.

NATIONAL BLACK NURSES ASSOCIATION
NBNA represents approximately 150,000 African American nurses from the USA, Eastern Caribbean, and Africa, with 76-chartered chapters nationwide. NBNA mission is to provide a forum for collective action by African American nurses to “investigate, define and determine what the health care needs of African Americans are and to implement change to make available to African Americans and other minorities health care commensurate with that of the larger society.”

NATIONAL COALITION OF ETHNIC MINORITY NURSE ASSOCIATIONS
The National Coalition of Ethnic Minority Nurse Associations (NCEMNA) is a unified force advocating for equity and justice in nursing and health care for ethnic minority populations. Incorporated in 1998, NCEMNA is made up of five national ethnic nurse associations: Asian American/Pacific Islander Nurses Association, Inc. (AAPINA), National Alaska Native American Indian Nurses Association, Inc. (NANAINA), National Association of Hispanic Nurses, Inc. (NAHN), National Black Nurses Association, Inc. (NBNA), and Philippine Nurses Association of America, Inc. (PNAA). Its goals include support for the development of a cadre of ethnic nurses reflecting the nation’s diversity; advocacy for culturally competent, accessible and affordable health care; promotion of the professional and educational advancement of ethnic nurses; education of consumers, health care professionals and policy makers on health issues of ethnic minority populations; development of ethnic minority nurse leaders in areas of health policy, practice, education and research; endorsement of best practice models of nursing practice, education, and research for minority populations.

SIGMA THETA TAU INTERNATIONAL- HONOR SOCIETY OF NURSING
The mission of the Honor Society of Nursing, Sigma Theta Tau International is to support the learning, knowledge and professional development of nurses committed to making a difference in health worldwide. The vision of the Honor Society of Nursing, Sigma Theta Tau International is to create a global community of nurses who lead in using knowledge, scholarship, service and learning to improve the health of the world’s people
School of Pharmacy

**Discipline/Subject Specific**

**AMERICAN ASSOCIATION OF COLLEGES OF PHARMACY**
AACP conducts a wide variety of programs and activities in cooperation with a number of other national health and higher education associations. AACP is comprised of all accredited colleges and schools with pharmacy degree programs accredited by the Accreditation Council for Pharmacy Education, including approximately 57,000 professional degree students, 5,700 students enrolled in graduate studies and more than 5,600 full-time faculties.

**AMERICAN ASSOCIATION OF PHARMACEUTICAL SCIENTISTS**
AAPS Pharmaceutical is the web portal for the American Association of Pharmaceutical Scientists, a professional, scientific society of more than 12,000 members employed in academia, industry, government, and other research institutes worldwide. AAPS offers timely scientific programs, on-going education, information resources, opportunities for networking, and professional development.

**AMERICAN COLLEGE OF CLINICAL PHARMACY**
The American College of Clinical Pharmacy (ACCP) is a professional and scientific society that provides leadership, education, advocacy, and resources enabling clinical pharmacists to achieve excellence in practice and research. ACCP’s membership is composed of practitioners, scientists, educators, administrators, students, residents, fellows, and others committed to excellence in clinical pharmacy and patient pharmacotherapy.

**AMERICAN PHARMACISTS ASSOCIATION**
The American Pharmacists Association (APhA) is the organization whose members are recognized in society as essential in all patient care settings for optimal medication use that improves health, wellness, and quality of life. Through information, education, and advocacy APhA empowers its members to improve medication use and advance patient care.

**AMERICAN SOCIETY OF PHARMACOLOGY AND EXPERIMENTAL THERAPEUTICS**
The American Society for Pharmacology and Experimental Therapeutics (ASPET) is a 4,800 member scientific society whose members conduct basic and clinical pharmacological research in academia, industry and the government. Members research efforts help develop new medicines and therapeutic agents to fight existing and emerging diseases.

**SOCIETY OF INFECTIOUS DISEASES PHARMACISTS**
The Society of Infectious Diseases Pharmacists (SIDP) is a dynamic association of health professionals dedicated to promoting the appropriate use of antimicrobials. SIDP provides education, advocacy, and leadership in all aspects of the treatment of infectious diseases. SIDP is comprised of pharmacists and other health care professionals involved in patient care, research, teaching, drug development, and governmental regulation that are concerned with all facets of antimicrobial use, and committed to excellence in infectious diseases pharmacotherapy.
Race/Gender Specific

ASSOCIATION OF BLACK HEALTH SYSTEM PHARMACISTS
Founded in December 1978, ABHP is the professional organization that represents Black and minority health-system pharmacists. ABHP is dedicated to the growth and development of pharmacy practice in health care facilities; and strives to support the goals of the American Society of Health-System Pharmacists

NATIONAL ASSOCIATION OF WOMEN PHARMACISTS (UK)
The National Association of Women Pharmacists (NAWP) is an independent organization within the profession in the UK that concerns itself with issues of special relevance to female pharmacists.
School of Social Work

Discipline/Subject Specific

COUNCIL ON SOCIAL WORK EDUCATION
The Council on Social Work Education (CSWE) is a nonprofit national association representing more than 3,000 individual members, as well as graduate and undergraduate programs of professional social work education. This partnership of educational and professional institutions, social welfare agencies, and private citizens is recognized by the Council for Higher Education Accreditation as the sole accrediting agency for social work education in this country.

GROUP FOR THE ADVANCEMENT OF DOCTORAL EDUCATION IN SOCIAL WORK
The Group for the Advancement of Doctoral Education in Social Work is an organization made up of over 80 social work doctoral program directors worldwide who represent their member Universities. Founded in the late 1970s, GADE primary purpose is to promote excellence in doctoral education in social work, especially through networking, information sharing and advocacy.

NATIONAL ASSOCIATION OF SOCIAL WORKERS
The NASW provides information and news about social workers throughout the country. It also provides links to help find jobs and a variety of information about career opportunities.

SOCIETY FOR SOCIAL WORK AND RESEARCH
The Society for Social Work and Research is a non-profit professional society incorporated in the State of New York in 1993. The Society is devoted to the involvement of social workers, other social work faculty, and social work students in research and to promotion of human welfare through research and research applications.

Race/Gender Specific

ASIAN AND PACIFIC ISLANDER SOCIAL WORK EDUCATORS ASSOCIATION
The Asian and Pacific Islander Social Work Educators Association is an association of social work educators in the United States who share Asian or Pacific Islander (API) heritage or particular interest in the development of social work with those populations, inside or out of the United States.

LATINO SOCIAL WORKERS ORGANIZATION
The LSWO has a mission focused on the Recruitment and Retention of Latinos in Higher Education, Advocating for Cultural Competency within human service agencies, and as a provider of high quality continuing education programs.

NATIONAL ASSOCIATION OF BLACK SOCIAL WORKERS
NABSW was established to advocate and address important social issues that impact the health and welfare of the Black community. Affiliate chapters, including student chapters, are spread throughout
the United States. Local chapters are in Hartford and New Haven. Additionally, there are chapters and 
affiliate groups in Africa and the Caribbean.

NATIONAL ASSOCIATION OF PUERTO RICAN AND HISPANIC SOCIAL WORKERS
NAPRHSW is a non-profit organization founded in 1983 by a group of Puerto Rican Social Workers 
dedicated to the enhancement and general welfare of Puerto Rican and other Hispanic families. 
Members include Social Workers, other Human Service professionals, and students interested in issues 
that affect and impact the Puerto Rican/Hispanic communities with a commitment to the organization.
College of Liberal Arts & Sciences

Biological/Life Sciences

Discipline/Subject Specific

AMERICAN BIOLOGICAL SAFETY ASSOCIATION
The American Biological Safety Association (ABSA) promotes biosafety as a scientific discipline and serves the growing needs of biosafety professionals throughout the world. Its goals are to provide a professional association that represents the interests and needs of practitioners of biological safety, and to provide a forum for the continued and timely exchange of biosafety in formation.

AMERICAN EDUCATIONAL RESEARCH ASSOCIATION
The American Educational Research Association (AERA) is concerned with improving the educational process by encouraging scholarly inquiries related to education and evaluation, and by promoting the dispersal and practical application of research results. Its more than 25,000 members are educators; administrators; directors of research; persons working with testing or evaluation in federal, state, and local agencies; counselors; evaluators; graduate students; and behavioral scientists. The broad range of disciplines represented by the membership includes education, psychology, statistics, sociology, history, economics, philosophy, anthropology, and political science.

AMERICAN PSYCHOLOGICAL SOCIETY
The American Psychological Society is a nonprofit organization dedicated to the advancement of scientific psychology and its representation at the national and international level. The Association's mission is to promote, protect, and advance the interests of scientifically oriented psychology in research, application, teaching, and the improvement of human welfare.

AMERICAN PHYTOPATHOLOGICAL SOCIETY
The American Phytopathological Society (APS) is the premier society dedicated to high-quality, innovative plant pathology research. APS is driven by a distinctive community of scientists, whose energy and commitment ensure the global advancement of this critical science.

AMERICAN SOCIETY OF AGRICULTURE AND BIOLOGICAL ENGINEERS
The American Society of Agricultural and Biological Engineers is an educational and scientific organization dedicated to the advancement of engineering applicable to agricultural, food, and biological systems. Agricultural, Food and Biological Engineers develop efficient and environmentally sensitive methods of producing food, fiber, timber, and renewable energy sources for an ever-increasing world population.

AMERICAN SPEECH-LANGUAGE-HEARING ASSOCIATION
The American Speech-Language-Hearing Association is a professional, scientific, and credentialing association for speech-language pathologists, audiologists, and speech, language, and hearing scientists in the United States. The goal of the association is to have effective communication, a human right, accessible, and achievable for all.
ASSOCIATION OF ENVIRONMENTAL ENGINEERING AND SCIENCE PROFESSORS
The Association of Environmental Engineering and Science Professors (AEESP) is made up of professors in academic programs throughout the world who provide education in the sciences and technologies of environmental protection. AEESP has more than 700 members in universities throughout the world.

AUDIOLOGY ONLINE
AO has leading experts who contribute to the content on the website via articles, expert e-seminars, and providing answers to professionals' questions in the Ask the Expert column. These individuals are selected by the AudiologyOnline editorial staff based on their expertise in topic areas that are both relevant and timely for our readers. These two groups include professionals from clinical, industry and research backgrounds.

COGNITIVE DEVELOPMENT SOCIETY
The Cognitive Development Society (CDS) was incorporated in September 1999 in order to provide a unified voice for the wide range of scholars, practitioners, and others who are interested in change and continuity in the intellectual processes that support mental life. The range of interests includes cognitive development during all stages of life, and we seek to understand ontogenetic processes in both humans and nonhumans. Finally, the interests encompass typical as well as atypical development, and attempt to characterize both biological and cultural influences on cognitive change and continuity.

COUNCIL FOR DIRECTORS OF SCHOOL PSYCHOLOGY PROGRAMS
CDSPP’s mission is to foster the advancement of doctoral education in school psychology in all its aspects. This mission includes both providing a mechanism for dissemination of information, exchange of views, collection of data, facilitation of communication, and formulation of policies, concerning doctoral training in school psychology; and providing consultative resources, maintaining active liaison, and promoting the representation of school psychology programs in functions of APA and other organizations which are relevant to doctoral education in school psychology.

COUNCIL OF ACADEMIC PROGRAMS IN COMMUNICATION SCIENCES AND DISORDERS
The CAPCSD helps develop and promulgate position statements relevant to educational and professional standards, maintain liaisons with, and advise, related professional organizations, government agencies, and the university community, assist your ability to respond to changes in program accreditation and professional credentialing, gather, organize and distribute information relevant to your program’s strategic planning needs, including funding, as well as faculty, staff and student demographics, promote and provide professional development and continuing education opportunities for your department members, foster quality education through meetings and publications designed to enhance curricula and improve instruction.

COUNCIL ON GRADUATE DEPARTMENTS OF PSYCHOLOGY
The Council of Graduate Departments of Psychology (COGDOP) is a society constituted of Chairs and Heads of Departments of Psychology or other equivalent administrative units, which are authorized to offer graduate degrees in psychology in institutions accredited by their regional accrediting association.
ELECTROCHEMICAL SOCIETY
ECS is an international nonprofit, educational organization concerned with a broad range of phenomena relating to electrochemical and solid-state science and technology. The Electrochemical Society has more than 8,000 scientists and engineers in over 70 countries worldwide that hold individual membership, as well as roughly 100 corporations and laboratories that hold corporate membership.

ENVIRONMENTAL ENGINEERING AND SCIENCE PROFESSORS ASSOCIATION
The Association of Environmental Engineering and Science Professors (AEESP) is made up of professors in academic programs throughout the world who provide education in the sciences and technologies of environmental protection. The Association assists its members in improving education and research programs, encourages graduate education, and serves the profession by providing information to government agencies and the public, and provides direct benefits to its members.

FAMILY PSYCHOLOGIST NEWSLETTER
The Family Psychologist is a quarterly publication focusing on Family Psychology across the entire theory-research-practice spectrum. Researchers and practitioners come together in the pages of TFP for a truly unique combination of "front lines" reporting and the latest in theory.

INSTITUTE OF ELECTRICAL AND ELECTRONICS ENGINEERS ENGINEERING IN MEDICINE AND BIOLOGY SOCIETY
IEEE Engineering in Medicine and Biology Society (EMBS) is the world's largest international society of biomedical engineers. The organization's 8,200 members reside in some 70 countries around the world. It provides its members with access to the most fascinating people, practices, information, ideas, and opinions, from one of science's fastest growing fields.

LIFE SCIENCE MARKETING (ICMG)
ICMG is a media and publishing company that controls over 50 life science portals geared towards professional scientists and business people. Advertisements to the network reach millions of scientists each year.

LINGUISTIC SOCIETY OF AMERICA
The Linguistic Society of America (LSA) was founded in 1924 to advance the scientific study of language. LSA plays a critical role in supporting and disseminating linguistic scholarship both to professional linguists and to the general public.

LINGUISTLIST
The LINGUIST List is dedicated to providing information on language and language analysis, and to providing the discipline of linguistics with the infrastructure necessary to function in the digital world. LINGUIST is a free resource, run by linguistics professors and graduate students, and supported primarily by your donations.

NATIONAL ASSOCIATION OF SCHOOL PSYCHOLOGISTS
The National Association of School Psychologists (NASP) is the premier source of knowledge, professional development, and resources that empower school psychologists and ensure that all
children/youth attain optimal learning and mental health.  (NASP) represents school psychology and supports school psychologists to enhance the learning mental health of all children and youth.

SOCIAL PSYCHOLOGY NETWORK
Social Psychology Network is today one of the largest Internet sites devoted to psychological research and teaching. In its pages, there are more than 17,000 links related to psychology.

SOCIALSERVICE.COM
The job site for jobs in social work, counseling, psychology, sociology, mental health, case management, employee assistance, volunteer management, substance abuse treatment, domestic violence, community development, youth development, child welfare, developmental disabilities and all other areas of social services.

SOCIETY OF BEHAVIORAL MEDICINE
The Society of Behavioral Medicine is a multidisciplinary, non-profit organization founded in 1978. The Society of Behavioral Medicine is an organization made up of clinicians, educators, and scientists dedicated to promoting the study of the interactions of behavior with biology and the environment, and the application of that knowledge to improve the health and well-being of individuals, families, communities and populations.

SOCIETY FOR CHAOS THEORY IN PSYCHOLOGY
The Society is an international forum that brings together researchers, theoreticians, and practitioners interested in applying dynamical systems theory, self-organization, neural nets, fractals, cellular automata, agent-based modeling, and related forms of chaos, catastrophes, bifurcations, nonlinear dynamics, and complexity theories to psychology and the life sciences.

SOCIETY OF EXPERIMENTAL SOCIAL PSYCHOLOGY
The Society of Experimental Social Psychology (SESP) is a scientific organization dedicated to the advancement of social psychology.

SOCIETY FOR INDUSTRIAL ORGANIZATIONAL PSYCHOLOGISTS
The Society for Industrial and Organizational Psychology is a Division within APA that is also an organizational affiliate of APS. The Society’s mission is to enhance human well-being and performance in organizational and work settings by promoting the science, practice, and teaching of industrial-organizational psychology.

SOCIETY OF PERSONALITY AND SOCIAL PSYCHOLOGY
The Society for Personality and Social Psychology (SPSP) was founded in 1974 when the leadership of Division 8 of the American Psychological Association decided to incorporate as an independent organization. Today, SPSP includes more than 4,500 members from around the world who study a wide array of subfields.
Race/Gender Specific

ASIAN AMERICAN PSYCHOLOGICAL ASSOCIATION
The AAPA is a community of diverse graduate students, researchers, teachers, and practitioners in psychology, working to advance the psychological well-being of Asian American communities through affecting professional practice, research, and teaching. The AAPA offers mentoring and networking opportunities, forums to disseminate research and scholarship, structures to share information and receive support, and awards and initiatives to recognize contributions to Asian American psychology as well as an Email Listserv (for sharing information, posting job announcements, discussing relevant issues).

ASSOCIATION FOR WOMEN IN SCIENCE
AWIS is a national advocacy organization championing the interests of women in science, technology, engineering, and mathematics across all disciplines and employment sectors. By breaking down barriers and creating opportunities, AWIS strives to ensure that women in these fields can achieve their full potential.

THE ASSOCIATION OF BLACK PSYCHOLOGISTS
The Association of Black Psychologists was founded in San Francisco in 1968 by a number of Black Psychologists from across the country. They united to actively address the serious problems facing Black Psychologists and the larger Black community. Guided by the principle of self-determination, these psychologists set about building an institution through which they could address the long neglected needs of Black professionals. Their goal was to have a positive impact upon the mental health of the national Black community by means of planning, programs, services, training, and advocacy.

EMBO
EMBO is an organization of more than 1500 leading researchers that promotes excellence in the life sciences. The major goals of the organization are to support talented researchers at all stages of their careers, stimulate the exchange of scientific information, and help build a European research environment where scientists can achieve their best work. EMBO helps young scientists to advance their research, promote their international reputations and ensure their mobility.

FACULTY FOR THE FUTURE
FacultyForTheFuture.org is the only website dedicated to linking a diverse pool of women and underrepresented minority candidates from engineering, science, and business with faculty and research positions at universities across the country. It was developed by Barbara Bogue and College of Engineering of The Pennsylvania State University as part of the Penn State GE Foundation Faculty for the Future Project and was merged into the capstone FFF WEPAN grant as part of multi institution/organization collaboration.

FORD FOUNDATION FELLOWS
Ford Foundation Fellows recipients include Alaskan natives (Eskimo or Aleut), Native American Indians, Black/African Americans, Mexican Americans/Chicanos, Native Pacific Islanders (Polynesian or...
Micronesian) and Puerto Ricans in physical and life sciences, mathematics, behavioral and social sciences, engineering, and humanities. This directory contains contact information for Ford Foundation Postdoctoral fellowship recipients awarded since 1980 and 1986. This database only includes those awards administered by the National Research Council.

GREAT MINDS IN STEM
Great Minds in STEM™ is the gateway for Hispanics in Science, Technology, Engineering and Mathematics (STEM). Established in 1989, as HENAAC, Great Minds in STEM™ is a non-profit organization that focuses on STEM educational awareness programs for students from kindergarten to career. Great Minds in STEM™ provides resources for recognition and recruitment of Hispanics in STEM on a national level, connecting multi-areas of engineering and science arenas to the general population.

INTERNATIONAL SOCIETY FOR ECOLOGY & CULTURE
ISEC's mission is to protect and renew ecological and social well-being by promoting a systemic shift away from economic globalization towards localization. Through its ‘education for action’ programs, ISEC develops innovative models and tools to catalyze collaboration for strategic change at the community and international level.

LATIN AMERICAN SOCIETY FOR DEVELOPMENTAL BIOLOGY
The Latin American Society of Developmental Biology (LASDB) is a non-profit association that promotes the study of developmental biology in Latin America. To this effect, the LASDB organizes and supports scientific meetings, workshops and courses in this field of study.

LATINOS IN SCIENCE AND ENGINEERING
MAES was founded in 1974 to increase the number of Mexican Americans and other Hispanics in the technical and scientific fields. MAES promotes, cultivates, and honors excellence in education and leadership among Latino engineers and scientists.

MINORITY POSTDOC
MinorityPostdoc.org is the premier web portal on the minority postdoctoral experience especially in the science, technology, engineering, and math (STEM) disciplines. We feature articles, resources, & events about career advice, professional development, jobs, funding, fellowships, mentoring, and diversity issues.

NATIONAL ASSOCIATION FOR BLACKS IN BIO
The National Association for Blacks in Bio (NABB) is dedicated to supporting our nation's effort to remain competitive in the global marketplace by building a broad-based community of minority professionals working in various capacities in biotechnology, biopharmaceutical research and biomedical research (which we refer to collectively as the biosciences industry), and by forging strategic relationships between this industry and communities of color.

NATIONAL BLACK ASSOCIATION FOR SPEECH-LANGUAGE AND HEARING
The National Black Association for Speech-Language and Hearing is the premier professional and scientific association addressing the communication interests and concerns of black communication
science and disorders professionals, students and consumers. The association is the model for other organizations addressing the concerns of diverse populations.

NATIONAL GEM CONSORTIUM
The mission of The National GEM Consortium is to enhance the value of the nation's human capital by increasing the participation of underrepresented groups (African Americans, American Indians, and Hispanic Americans) at the master's and doctoral levels in engineering and science. Gem is a unique and powerful connection to a national network of universities and employers. This partnership promotes the participation of underrepresented groups in post-graduate science and engineering education and the technical workforce.

NATIONAL HISPANIC LIFE SCIENCES SOCIETY
The National Hispanic Life Sciences Society (NHLSS) is a national, independent, non-profit professional membership organization for Hispanics, Latinos, Hispanic/Latino-Americans, and their supporters in the global life sciences industry.

NATIONAL LATINA/O PSYCHOLOGICAL ASSOCIATION
The National Latina/o Psychological Association (NLPA) is a national organization of mental health professionals and students whose objective is to generate and advance psychological knowledge and foster its effective application for the benefit of the Hispanic/Latino population. LPA’s membership represents a rich diversity of national background, ethnic and cultural origin and political ideology. NLPA does not presume to speak for all Latino psychologists or psychologists interested in Latino psychology. However, its members’ goal is to see a physical and psychological environment for Latinos in the US reflect the ideals of respect for mental health, dignity, and human and civil rights.

SOCIETY OF INDIAN PSYCHOLOGISTS
SIP’s main goal is to come together as Native psychologists who work in support of professionals, researchers, graduate students, and undergraduate students. As a community, to share ideas, disseminate knowledge and new information relevant to Native People. United by a common core of values, to seek to be a resource for the respective communities, by increasing the knowledge and awareness of issues impacting Native mental health.

WOMEN IN CELL BIOLOGY COMMITTEE OF THE AMERICAN SOCIETY FOR CELL BIOLOGY
WICB began in the early 1970s as a group of women cell biologists, sensitized by the women’s movement of the time, who began to notice the under-representation of women in academia in general and cell biology in particular. In 1992, the ASCB Council invited WICB to become a standing committee of the ASCB, and its by-then traditional activities at the annual meetings have continued apace. In addition to its presence at the annual meeting, WICB is also poised year-round to provide career support and advice.
Humanities

Discipline/Subject Specific

**AMERICAN EDUCATIONAL RESEARCH ASSOCIATION**
The American Educational Research Association (AERA) is concerned with improving the educational process by encouraging scholarly inquiries related to education and evaluation, and by promoting the dispersal and practical application of research results. Its more than 25,000 members are educators; administrators; directors of research; persons working with testing or evaluation in federal, state, and local agencies; counselors; evaluators; graduate students; and behavioral scientists. The broad range of disciplines represented by the membership includes education, psychology, statistics, sociology, history, economics, philosophy, anthropology, and political science.

**AMERICAN HISTORICAL ASSOCIATION**
The American Historical Association (AHA) is a nonprofit membership organization founded in 1884 for the promotion of historical studies, the collection, and preservation of historical documents and artifacts, and the dissemination of historical research. As the largest historical society in the United States, the AHA provides leadership and advocacy for the profession, fights to ensure academic freedom, monitors professional standards, spearheads essential research in the field, and provides resources and services to help its members succeed.

**AMERICAN PHILOSOPHICAL ASSOCIATION**
The American Philosophical Association is the main professional organization for philosophers in the United States. Its mission is to promote the exchange of ideas among philosophers, to encourage creative and scholarly activity in philosophy, to facilitate the professional work and teaching of philosophers, and to represent philosophy as a discipline.

**AMERICAN STUDIES ASSOCIATION**
The American Studies Association seeks to engage individuals in interdisciplinary studies of American culture and history. The organization is devoted to understanding American culture, while integrating a variety of perspectives from different academic backgrounds. This is a very inclusive group, with members with interests ranging from history to religion to education.

**ASIAN AMERICAN JOURNALIST ASSOCIATION**
The AAJA mission is to encourage Asian Americans and Pacific Islanders to enter the ranks of journalism, to work for fair and accurate coverage of Asian Americans and Pacific Islanders, and to increase the number of Asian American and Pacific Islander journalists and news managers in the industry.

**ASSOCIATION FOR ASIAN STUDIES**
Association for Asian Studies (AAS) is a scholarly, non-political, non-profit professional association open to all persons interested in Asia. It seeks through publications, meetings, and seminars to facilitate contact and an exchange of information among scholars to increase their understanding of East, South, and Southeast Asia. It counts among its members scholars, business people, diplomats, journalists, and interested laypersons.
ASSOCIATION FOR EDUCATION IN JOURNALISM AND MASS COMMUNICATION
The Association for Education in Journalism and Mass Communication is a non-profit, educational association of journalism and mass communication faculty, administrators, students and media professionals. Dedicated to promoting the highest standards for education, the Association provides an abundance of resources for news, research, and career opportunities, including a multicultural network of practitioners from every discipline of journalism and mass communication.

ASSOCIATION OF AMERICAN GEOGRAPHERS
The Association of American Geographers (AAG) is a scientific and educational society with 10,000 members sharing interests in the theory, methods, and practice of geography and geographic education. The AAG holds annual meetings and regional events and publishes a newsletter, journals, and books.

ASSOCIATION OF DEPARTMENTS OF ENGLISH
ADE serves as a central source of information and support for chairs of college and university English departments throughout the United States and Canada. ADE has been in existence for forty years as a project of the Modern Language Association and its membership encompasses nearly 750 English departments, writing programs, and humanities divisions in all types and sizes of four- and two-year colleges and universities.

GEORGE MOSES HORTON SOCIETY
The Horton Society encourages sustained scholarly focus on the works of African-American poets and to foster presentation and publishing opportunities for that scholarship. The Horton society is an affiliate organization of the American Literature Association.

H-Net
H-Net is an international interdisciplinary organization of scholars and teachers dedicated to developing the enormous educational potential of the Internet and the World Wide Web.

HERA HUMANITIES EDUCATION AND RESEARCH ASSOCIATION
The Humanities Education and Research Association is organized as a non-profit 501(c)3 organization, exclusively for charitable, research and education purposes.

INTERNATIONAL COMMUNICATION ASSOCIATION
ICA is an academic association for scholars interested in the study, teaching, and application of all aspects of human and mediated communication. ICA is an international association with more than 3,500 members in 65 countries. Since 2003, ICA has been officially associated with the United Nations as a non-governmental association (NGO).

LATIN AMERICAN STUDIES ASSOCIATION
The LASA is a scholarly association made up of over 7,000 members, both individuals and institutions, from all over the world. The Latin American Studies Association works to foster intelligent discussion, research, and teachings about Latin America, the Caribbean, and its people, while simultaneously supporting the diverse interests of its member group. Additionally, LASA advocates for the Latin American community, providing access to scholarly research and journals on Latin American Studies, as
well as representing the interests of Latin American people before the United States government, as well as to other international governments.

**MODERN LANGUAGE ASSOCIATION**
The Modern Language Association of America provides opportunities for its members to share their scholarly findings and teaching experiences with colleagues and to discuss trends in the academy. MLA members host an annual convention and other meetings, work with related organizations, and sustain one of the finest publishing programs in the humanities.

**NATIONAL COMMUNICATION ASSOCIATION**
NCA is a scholarly society and as such works to enhance the research, teaching, and service produced by its members on topics of both intellectual and social significance. Staff at the NCA National Office follows trends in national research, teaching, and service priorities. It both relays those opportunities to its members and represents the academic discipline of communication in those national efforts.

**NATIONAL COUNCIL FOR BLACK STUDIES**
The National Council for Black Studies (NCBS) is the leading organization of Black Studies professionals in the world. For more than 30 years, the members of the council have been at the forefront of driving the development of Black/Africana Studies as a respected academic discipline. The commitment to putting theory into practice, however, has also led to the front lines of community issues throughout the African Diaspora. The guiding philosophy of the council is that education should engender both academic excellence and social responsibility.

**ORGANIZATION OF AMERICAN HISTORIANS**
The Organization of American Historians is the largest professional society devoted to teaching and studying American history. Founded in 1907, this group encompasses three main ambitions in their mission statement. The OAH strives to advance knowledge of history through various initiatives, participate in historical advocacy for all history practitioners, and uphold the highest standards of professional integrity.

**SOCIETY FOR NEW DESIGN**
The Society for News Design encourages high standards of journalism through design. An international forum and resource for all those interested in news design, SND works to recognize excellence and strengthen visual journalism as a profession. The Society for News Design (formerly the Society of Newspaper Design) is an international professional organization with more than 2,600 members in the United States, Canada and more than 50 other countries, divided into the 20 regions shown below.

**SOCIETY OF AMERICAN ARCHIVISTS**
Founded in 1936, the Society of American Archivists is North America's oldest and largest national archival professional association. SAA's mission is to serve the educational and informational needs of more than 5,500 individual and institutional members and to provide leadership to ensure the identification, preservation, and use of records of historical value.
WESTERN PUBLICATIONS ASSOCIATION
The Western Publishing Association is a non-profit business trade association dedicated to the advancement of the media publishing industry in the western United States. With over 58 years’ experience, the Western Publishing Association offers a variety of services and benefits to its members. WPA’s primary mission is to provide continuing education to the media publishing industry, which is accomplished through individual seminars, an annual publishing conference, publishers and executive management roundtables, and partnering with other groups and associations to offer online audio and video conferences.

Race/Gender Specific

ASIAN PHILOSOPHICAL ASSOCIATION
The Asian Philosophical Association is a non-profit organization aiming at studying Asian philosophies and perspectives on these philosophies with the objective of gauging the dialectical relationship between Asian Philosophies and epistemological growth worldwide. The Association holds Annual conferences, seminars, panels and publishes a journal called the International Journal of the Asian Philosophical Association.

ASOCIACION HISPANICA DE HUMANIDADES
The Hispanic Association of Humanities (AHH) is an academic and cultural nonprofit organization dedicated to promoting Hispanic Humanities in the United States and other countries. Founded in 1988, the Association has worked extensively in the field of Hispanic humanism, promoting the study and exchange of knowledge through conferences and specialized publications, as a result of research in the writing, the sciences and the arts in all Spanish-speaking countries.

THE ASSOCIATION FOR WOMEN IN COMMUNICATIONS
The Association for Women in Communications is the one organization that recognizes the complex relationships that exist across communications disciplines. Modern communicators must demonstrate competence in varied disciplines and be able to network and make career moves across the broad spectrum of communications fields. Disciplines represented within the association include: print and broadcast journalism, television and radio production, film, advertising, public relations, marketing, graphic design, multi-media design, and photography.

ASSOCIATION OF BLACK WOMEN HISTORIANS
 Founded in 1979, the Association of Black Women Historians (ABWH) is a dynamic network of scholars representing every region of the country. The organization’s goals are to support black women in the historical profession, disseminate information by, for and about black women and promote scholarship by and about black women. ABWH is re-launching the organization into the 21st century.

COLLEGIUM OF BLACK WOMEN PHILOSOPHERS
The Collegium of Black Women Philosophers (CBWP) is a philosophical organization whose purpose is to
encourage and foster a networking and mentoring relationship between the underrepresented Black women in philosophy including undergraduate students and graduate students as well as assistant, associate, and full professors in the Academy. The objective of the CBWP is to mentor and retain the Black women who are currently professors or graduate students in philosophy while simultaneously recruiting more Black women into the discipline.

EUROPEAN ASSOCIATION FOR DIGITAL HUMANITIES
The EADH's mission is to represent and bring together the Digital Humanities in Europe across the entire spectrum of disciplines that apply, develop and research digital humanities methods and technology. These include art history, cultural studies, history, image processing, language and literature studies, manuscripts studies, musicology etc. The EADH also supports the formation of DH interest groups in Europe that are defined by region, language, methodological focus or other criteria.

FORD FOUNDATION FELLOWS
Ford Foundation Fellows recipients include Alaskan natives (Eskimo or Aleut), Native American Indians, Black/African Americans, Mexican Americans/Chicanos, Native Pacific Islanders (Polynesian or Micronesian) and Puerto Ricans in physical and life sciences, mathematics, behavioral and social sciences, engineering, and humanities. This directory contains contact information for Ford Foundation Postdoctoral fellowship recipients awarded since 1980 and 1986. This database only includes those awards administered by the National Research Council.

INTERNATIONAL ASSOCIATION OF WOMEN PHILOSOPHERS
The International Association of Women Philosophers is a professional association and network that provides a forum for discussion, interaction and cooperation among women engaged in teaching and research in all aspects of philosophy, with a particular emphasis on feminist philosophy. Founded in 1976 in Würzburg (Germany) as APh (Association of Women Philosophers) the IAPh has gradually grown into an international organization with members all over the world. Currently the IAPh has 380 members from as many as 35 different countries, although most of our members are from continental Europe, Canada and the United States.

NATIONAL ASSOCIATION OF BLACK JOURNALISTS
The National Association of Black Journalists (NABJ) is an organization of journalists, students, and media-related professionals that provides quality programs and services to and advocates on behalf of black journalists worldwide.

NATIONAL ASSOCIATION OF HISPANIC JOURNALISTS
The National Association of Hispanic Journalists (NAHJ) is dedicated to the recognition and professional advancement of Hispanics in the news industry. NAHJ is governed by an 18-member board of directors that consists of executive officers and regional directors who represent geographic areas of the United States and the Caribbean.

NATIONAL LESBIAN & GAY JOURNALISTS ASSOCIATION
NLGJA is an organization of journalists, media professionals, educators, and students working from
within the news industry to foster fair and accurate coverage of LGBT issues. NLGJA opposes all forms of workplace bias and provides professional development to its members.

NATIVE AMERICAN JOURNALISTS ASSOCIATION
NAJA recognizes Native Americans as distinct peoples based on tradition and culture. In this spirit, NAJA educates and unifies its membership through journalism programs that promote diversity and defends challenges to free press, speech, and expression. NAJA is committed to increase the representation of Native journalists in mainstream media. NAJA encourages both mainstream and tribal media to attain the highest standards of professionalism, ethics, and responsibility.

SOCIETY FOR WOMEN IN PHILOSOPHY
The Society for Women in Philosophy was started in 1972 to promote and support women in philosophy. SWIP holds divisional meetings, meetings in conjunction with the meetings of the American Philosophical Association, and it publishes newsletters.
Physical Sciences

Discipline/Subject Specific

AMERICAN CHEMICAL SOCIETY
The American Chemical Society (ACS) is the world’s largest scientific society and one of the world’s leading sources of authoritative scientific information. A nonprofit organization, chartered by Congress, ACS is at the forefront of the evolving worldwide chemical enterprise and the premier professional home for chemists, chemical engineers, and related professions around the globe.

AMERICAN EDUCATIONAL RESEARCH ASSOCIATION
The American Educational Research Association (AERA) is concerned with improving the educational process by encouraging scholarly inquiries related to education and evaluation, and by promoting the dispersal and practical application of research results. Its more than 25,000 members are educators; administrators; directors of research; persons working with testing or evaluation in federal, state, and local agencies; counselors; evaluators; graduate students; and behavioral scientists. The broad range of disciplines represented by the membership includes education, psychology, statistics, sociology, history, economics, philosophy, anthropology, and political science.

AMERICAN ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE
The American Association for the Advancement of Science, (AAAS), is an international non-profit organization dedicated to advancing science around the world by serving as an educator, leader, spokesperson, and professional association. In addition to organizing membership activities, (AAAS) publishes the journal Science, as well as many scientific newsletters, books and reports, and spearheads programs that raise the bar of understanding for science worldwide.

AMERICAN INSTITUTE OF PHYSICS
AIP was created for the purpose of promoting the advancement and diffusion of the knowledge of physics and its application to human welfare. It is the mission of the Institute to serve the sciences of physics and astronomy by serving its Member Societies, individual scientists, students and the general public.

AMERICAN MATHEMATICAL SOCIETY
Founded in 1888 to further mathematical research and scholarship, the American Mathematical Society (AMS) fulfills its mission through programs and services that promote mathematical research and its uses strengthen mathematical education, and foster awareness and appreciation of mathematics and its connections to other disciplines and to everyday life.

AMERICAN PHYSICAL SOCIETY
The APS is a non-profit membership organization working to advance and diffuse the knowledge of physics through its outstanding research journals, scientific meetings, and education, outreach, advocacy and international activities. APS represents over 50,000 members, including physicists in academia, national laboratories, and industry in the United States and throughout the world.
AMERICAN STATISTICAL ASSOCIATION (AMSTAT NEWS)
The American Statistical Association (ASA), a scientific and educational society provides its members and the public with up-to-date, useful information about statistics. The ASA has a tradition of service to statisticians, quantitative scientists, and users of statistics across a wealth of academic areas and applications.

CHEMICAL & ENGINEERING NEWS
Chemical & Engineering News is a weekly magazine published by the American Chemical Society. C&EN editors and reporters based in Europe, the U.S., and Asia cover science and technology, business and industry, government and policy, education, and employment aspects of the chemistry field.

CHEMISTRYJOBS.ACS.ORG
This website helps to link chemistry majors and graduate chemists with a career in chemistry. Every field of chemistry is represented and allows for a diverse range of chemistry related careers.

INTERNATIONAL BIOMETRIC SOCIETY
The International Biometric Society is an international society promoting the development and application of statistical and mathematical theory and methods in the biosciences, including agriculture, biomedical science and public health, ecology, environmental sciences, forestry, and allied disciplines. The Society members include statisticians, mathematicians, biological scientists, and others devoted to interdisciplinary efforts in advancing the collection and interpretation of information in the biosciences. The Society publishes two journals, Biometrics, reporting communications consistent with the Society's mission, and, jointly with the American Statistical Association, the Journal of Agricultural, Biological, and Environmental Statistics.

INTERNATIONAL SOCIETY FOR BAYESIAN ANALYSIS
The International Society for Bayesian Analysis (ISBA) promotes the development and application of Bayesian analysis useful in the solution of theoretical and applied problems in science, industry and government. By sponsoring and organizing meetings, publishing the electronic journal of Bayesian statistics Bayesian Analysis, and other activities ISBA provides a focal point for those interested in Bayesian analysis and its applications.

JOBS FOR PhD’s SCIENCE, MATH, AND ENGINEERING
This site helps PhD’s match up with employers. This site allows for people with PhD’s to search open positions only for PhD’s and to post their resume.

NATIONAL CENTER FOR ATMOSPHERIC RESEARCH
Each year nearly 700 students, scientists, weather forecasters, and other professionals visit the National Center for Atmospheric Research (NCAR). These visits vary both in purpose — workshops, summer internships, or collaboration on research — and in length, from a few days to several years. Formal programs either provide opportunities for visitors to pursue special training or research in Boulder, Colorado, or place them at designated research and educational institutions around the world.
NATIONAL PHYSICAL SCIENCE CONSORTIUM
The National Physical Science Consortium (NPSC) provides guidance and services to graduate students looking for Fellowships in the Physical Sciences. NPSC is a caring partnership between government agencies and laboratories, industry, and higher education, whose goal is to increase the number of American people with graduate degrees in the physical sciences (and related engineering fields). The consortium emphasizes the importance of a diverse applicant pool when recruiting, for they pride themselves on their acceptance and openness of diversity across the nation.

NATIONAL SEA GRANT OFFICE
Environmental stewardship, long-term economic development and responsible use of America’s coastal, ocean and Great Lakes resources are at the heart of Sea Grant’s mission. Sea Grant is a nationwide network (administered through the National Oceanic and Atmospheric Administration [NOAA]), of 32 university-based programs that work with coastal communities. The National Sea Grant College Program engages this network of the nation’s top universities in conducting scientific research, education, training, and extension projects designed to foster science-based decisions about the use and conservation of our aquatic resources.

NATUREJOBS
Naturejobs is the worldwide career resource for scientists, providing a wide range of career advice and information across Nature Publishing Group journals as well as centrally at naturejobs.com.

NEURO JOBS
The Society for Neuroscience (SfN) is a nonprofit membership organization of scientists and physicians who study the brain and nervous system. Since its inception in 1969, the Society has grown from 500 members to over 40,000. Today, SfN is the world’s largest organization of scientists and physicians devoted to advancing understanding of the brain and nervous system.

NEW ENGLAND ASSOCIATION OF CHEMISTRY TEACHERS
NEACT was founded in 1898 by a group of high school and college teachers meeting at Malden, MA High School, and incorporated in Massachusetts in 1910. Today, its membership also includes middle school teachers, administrators, and industrial associates interested in chemical education. The aim of NEACT is to promote the teaching and learning of chemistry.

PHDS.ORG
The goal of the site is help students to prepare for the changing demands of today's job market and to provide a voice for early career scientists.

SCIENCE MAGAZINE
Founded in 1880 on $10,000 of seed money from the American inventor Thomas Edison, Science has grown to become the world’s leading outlet for scientific news, commentary, and cutting-edge research, with the largest paid circulation of any peer-reviewed general-science journal. Through its print and online incarnations, Science reaches an estimated worldwide readership of more than one million. In content, too, the journal is truly international in scope; some 35 to 40 percent of the corresponding
SCIENCE FACULTY JOBS
Science Faculty Jobs is the only website helping schools to fill their Science faculty job openings and find the perfect career for educators in the fields of science.

SOCIETY FOR INDUSTRIAL AND APPLIED MATHEMATICS
SIAM exists to ensure the strongest interactions between mathematics and other scientific and technological communities through membership activities, publication of journals and books, and conferences.

UNIVERSITY NATIONAL OCEANOGRAPHIC LABORATORY SYSTEM
University-National Oceanographic Laboratory System (UNOLS) is an organization of 61 academic institutions and National Laboratories involved in oceanographic research and joined for the purpose of coordinating oceanographic ships' schedules and research facilities. One of the primary functions of UNOLS is to ensure the efficient scheduling of scientific cruises aboard the 21 research vessels located at 16 operating institutions in the UNOLS organization.

Race/Gender Specific

ACS WOMEN OF COLOR PROGRAM (AMERICAN CHEMICAL SOCIETY)
The mission is to empower women chemists of color to maximize their opportunities in the chemical profession while cultivating an environment that fully engages these members.

AMERICAN INDIAN SCIENCE & ENGINEERING SOCIETY
The AISES mission is to increase substantially the representation of American Indian and Alaskan Natives in engineering, science and other related technology disciplines. AISES’ membership is comprised of professionals, students, educators, and others in science, engineering and related technical fields. The Career Services page lists job openings and provides access to a resume database.

AMERICAN PHYSIOLOGICAL SOCIETY-MINORITY LINKS
The Physiology, American Physiological Society-Minority website provides career resources for aspiring physiologists.

ASSOCIATION FOR WOMEN GEOSCIENTISTS
The Association for Women Geoscientists is an international organization devoted to enhancing the quality and level of participation of women in geosciences and to introduce girls and young women to geoscience careers. Membership is open to anyone who supports AWG's goals.

ASSOCIATION FOR WOMEN IN MATHEMATICS (AWM)
The purpose of the Association for Women in Mathematics is to encourage women and girls to study
and to have active careers in the mathematical sciences, and to promote equal opportunity and the
equal treatment of women and girls in the mathematical sciences.

ASSOCIATION FOR WOMEN IN SCIENCE
The Association for Women in Science (AWIS), today’s premiere leadership organization, is advocating
the interests of women in science and technology. For nearly 40 years, the Association for Women in
Science has fought for equity and career advancement for women – from the bench to the board room.
We unite women through our nationwide network of chapters and partnerships with aligned
professional organizations.

THE BLACK SCHOLAR
THE BLACK SCHOLAR is a peer-reviewed, interdisciplinary journal providing cogent articles that help the
understanding of issues of social concern to black Americans and other peoples of African descent
across the world. To provide full range for the development of black thought in a climate where fora are
still limited, we emphasize writings by black authors. TBS is published four times a year by the Black
World Foundation, a non-profit educational organization, in association with Paradigm Publishers. THE
BLACK SCHOLAR provides a classified advertising service for those of you who are particularly concerned
that minority persons and women are made aware of your job vacancies.

CAUCUS FOR WOMEN IN STATISTICS
The Caucus membership consists of individual residents mostly in the USA and Canada. The Caucus
works with all statistical professional societies. It is informally associated with the American Statistical
Association (ASA) and participates in its annual meeting, where it sponsors the Gertrude Cox
Scholarship.

COMMITTEE ON THE ADVANCEMENT OF WOMEN CHEMISTS
COACH is a grass-roots organization working to increase the number and career success of women
scientists and engineers through innovative programs and strategies. COACH provides avenues for
networking and mentoring of scientists and engineers at all levels to assist them in their research,
teaching and career advancement. COACH works closely in an advisory capacity with many institutions,
government organizations and departments to create a professional workplace that provides an equal
opportunity for discovery and innovation for its entire scientific and technical workforce.

COMMITTEE ON WOMEN IN SCIENCE, ENGINEERING, AND MEDICINE
CWSEM is a standing committee of the National Research Council (NRC). Its mandate is to coordinate,
monitor, and advocate action to increase the participation of women in science, engineering, and
medicine. Established in 1990 as CWSE, the committee expanded its scope in 2007 to include medicine.

FACULTY FOR THE FUTURE
FacultyForTheFuture.org is the only website dedicated to linking a diverse pool of women and under-
represented minority candidates from engineering, science, and business with faculty and research
positions at universities across the country. It was developed by Barbara Bogue and College of
Engineering of The Pennsylvania State University as part of the Penn State GE Foundation Faculty for the
Future Project and was merged into the capstone FFF WEPAN grant as part of multi-institution/organization collaboration.

**FORD FOUNDATION FELLOWS**
Ford Foundation Fellows recipients include Alaskan natives (Eskimo or Aleut), Native American Indians, Black/African Americans, Mexican Americans/Chicanos, Native Pacific Islanders (Polynesian or Micronesian) and Puerto Ricans in physical and life sciences, mathematics, behavioral and social sciences, engineering, and humanities. This directory contains contact information for Ford Foundation Postdoctoral fellowship recipients awarded since 1980 and 1986. This database only includes those awards administered by the National Research Council.

**GREAT MINDS IN STEM**
Great Minds in STEM™ is the gateway for Hispanics in Science, Technology, Engineering and Mathematics (STEM). Established in 1989, as HENAAC, Great Minds in STEM™ is a non-profit organization that focuses on STEM educational awareness programs for students from kindergarten to career. Great Minds in STEM™ provides resources for recognition and recruitment of Hispanics in STEM on a national level, connecting multi-areas of engineering and science arenas to the general population.

**LATINOS IN SCIENCE AND ENGINEERING**
MAES was founded in 1974 to increase the number of Mexican Americans and other Hispanics in the technical and scientific fields. MAES promotes, cultivates, and honors excellence in education and leadership among Latino engineers and scientists.

**MINORITY POSTDOC**
MinorityPostdoc.org is the premier web portal on the minority postdoctoral experience especially in the science, technology, engineering, and math (STEM) disciplines. We feature articles, resources, & events about career advice, professional development, jobs, funding, fellowships, mentoring, and diversity issues.

**NATIONAL GEM CONSORTIUM**
The mission of The National GEM Consortium is to enhance the value of the nation’s human capital by increasing the participation of underrepresented groups (African Americans, American Indians, and Hispanic Americans) at the master's and doctoral levels in engineering and science. Gem is a unique and powerful connection to a national network of universities and employers. This partnership promotes the participation of underrepresented groups in post-graduate science and engineering education and the technical workforce.

**NATIONAL NETWORK FOR MINORITY WOMEN IN SCIENCE**
This website provides multiple links to various websites regarding women in the field of science and different career opportunities.

**NATIONAL ORGANIZATION FOR THE PROFESSIONAL ADVANCEMENT OF BLACK CHEMISTS & CHEMICAL ENGINEERS**
NOBCChE is committed to the discovery, transmittal, and application of knowledge in the fields of
science and engineering. The mission of NOBCChE therefore is to build an eminent community of scientists and engineers by increasing the number of minorities in these fields. NOBCChE will achieve its mission through diverse programs designed to foster professional development and encourage students to pursue careers in science and technical fields.

NATIONAL SOCIETY OF BLACK PHYSICISTS
The mission of the National Society of Black Physicists is to promote the professional well-being of African American physicists and physics students within the international scientific community and within society at large. The organization seeks to develop and support efforts to increase opportunities for African Americans in physics and to increase their numbers and visibility of their scientific work.

NATIONAL SOCIETY OF HISPANIC PHYSICISTS
The purpose of this society is to promote the professional well-being and recognize the accomplishments of Hispanic physicists within the scientific community of the United States and within society at large. The Society seeks to develop and support efforts to increase opportunities for Hispanics in physics and to increase the number of practicing Hispanic physicists, particularly by encouraging Hispanic students to enter a career in physics.

SOCIETY FOR ADVANCEMENT OF CHICANOS & NATIVE AMERICANS IN SCIENCE
SACNAS is a national society with a 37-year history of supporting minority scientists and science students. The society is comprised of over 3,000 paid members along with more than 20,000 affiliates and partners from a diversity of disciplines, institutions, ethnic backgrounds, and levels along the educational trajectory.

WOMEN’S AQUATICS NETWORK
The Women’s Aquatic Network is a private, non-profit organization incorporated in 1985 in the District of Columbia. It is lead and organized by women but its membership is open to women and men. Its mission is to bring together professionals with interests in marine, coastal and aquatic policy, research, management, legislation, and other areas. WAN members are scientists, lawyers, policy-makers, natural resource managers, entrepreneurs, environmental advocates, students, professors and from many other professions.
Social Sciences

Discipline/Subject Specific

ACADEMY OF MANAGEMENT
The Academy of Management is a professional organization that looks to further the scholarship of management across the disciplines. AOM’s mission is to “build a vibrant and supportive community of scholars by markedly expanding opportunities to connect and explore ideas”.

ACM SIGCHI (SPECIAL INTERST GROUP ON COMPUTER-HUMAN INTERACTION)
SIGCHI is the leading international society for professionals, academics, and students who are interested in human-technology and human-computer interactions. They provide a forum for discussion of all aspects of human-computer interaction through conferences and publications. The society also works to educate people who are interested in such interactions through tutorials, workshops and other outreach programs. There is a conference scheduled for April 26- May 1 of 2014, in Toronto, Canada. The deadline to sign up for this conference is September 18th, 2013.

AMERICAN ACADEMY OF ADVERTISING
The American Academy of Advertising is an organization of advertising scholars and professionals with interests in both advertising and advertising education. The 2014 conference is planned for March 27-30 of 2014 in Atlanta, Georgia with the submission deadline as October 1, 2013.

AMERICAN ANTHROPOLOGICAL ASSOCIATION
The American Anthropological Association (AAA) founded in 1902 is the world's largest organization of individuals interested in anthropology. This national organization was formed to promote the science of anthropology, to stimulate and coordinate the efforts of American anthropologists, foster local and other societies devoted to anthropology, serve as a bond among American anthropologists and anthropologic organizations present and prospective, and to publish and encourage the publication of matter pertaining to anthropology.

AMERICAN ASSOCIATION FOR PUBLIC OPINION RESEARCH
Founded in 1947, the American Association for Public Opinion Research is a leading publishing of public opinion and survey research professionals. The AAPOR community includes researchers and individuals who analyze survey data across various disciplines. Members of this organization have a wide range of interests including election polling, market research, statistics, and research methodology. The 2014 conference is scheduled from May 15-18 in Anaheim California with a submission deadline of November 11, 2013.

AMERICAN AGRICULTURAL AND APPLIED ECONOMICS ASSOCIATION
The Agricultural & Applied Economics Association (AAEA) is a not-for-profit association serving the professional interests of members working in agricultural and broadly related fields of applied economics. Members of the AAEA are employed by academic or government institutions, as well as in industry and not-for-profit organizations, and engage in a variety of teaching, research, and
extension/outreach activities. A career opportunities page hosts employment ads of interest to members and a resume bank is available.

**AMERICAN ASSOCIATION OF FAMILY & CONSUMER SCIENCES**
The American Association of Family & Consumer Sciences (AAFCS) is recognized as the driving force in bringing people together to improve the lives of individuals, families, and communities. The mission of the AAFCS is to provide leadership and support for professionals whose work assists individuals, families, and communities in making informed decisions about their well-being, relationships, and resources to achieve optimal quality of life.

**AMERICAN ASSOCIATION FOR MARRIAGE AND FAMILY THERAPY**
The American Association for Marriage and Family Therapy (AAMFT) is the professional association for the field of marriage and family therapy. The association leads the way to increasing understanding, research, and education in the field of marriage and family therapy, and ensuring that the needs of the public are met by trained practitioners. The (AAMFT) provides individuals with the tools and resources they need to succeed as marriage and family therapists. The job board offers free posting of open positions for employers.

**AMERICAN ECONOMIC ASSOCIATION**
The American Economic Association was founded with the purpose to aid with the encouragement of economic research, especially the historical and statistical study of the actual conditions of industrial life, assist with issues of publications on economic subjects, and support the encouragement of perfect freedom of economic discussion.

**AMERICAN EDUCATIONAL RESEARCH ASSOCIATION**
The American Educational Research Association (AERA) is concerned with improving the educational process by encouraging scholarly inquiries related to education and evaluation, and by promoting the dispersal and practical application of research results. Its more than 25,000 members are educators; administrators; directors of research; persons working with testing or evaluation in federal, state, and local agencies; counselors; evaluators; graduate students; and behavioral scientists. The broad range of disciplines represented by the membership includes education, psychology, statistics, sociology, history, economics, philosophy, anthropology, and political science.

**AMERICAN POLITICAL SCIENCE ASSOCIATION**
The American Political Science Association is the leading professional organization for the study of political science and serves more than 15,000 members in over 80 countries. With a range of programs and services for individuals, departments and institutions, APSA brings together political scientists from all fields of inquiry, regions, and occupational endeavors within and outside academe in order to expand awareness and understanding of politics. The website includes a board where employers can list open positions at no cost.

**AMERICAN PUBLIC HEALTH ASSOCIATION**
The American Public Health Association prides themselves on being the oldest and most diverse organization amongst other public health groups around the world. Established in 1872, goals of the
APHA include protecting American families from preventable, yet serious health problems. THE APHA also aims to create preventative trainings and programs to teach people in communities how to protect themselves from disease and other health concerns. The members of this association are a mix of health professionals with various backgrounds and degrees. There is a conference scheduled in New Orleans, Louisiana from November 15-19 of 2014.

**AMERICAN SOCIOLOGICAL ASSOCIATION**
The American Sociological Association is a non-profit membership association based in Washington, DC dedicated to advancing sociology as a scientific discipline and profession serving the public good.

**ASSOCIATION FOR PUBLIC POLICY ANALYSIS AND MANAGEMENT**
APPAM is a nonprofit corporation chartered in Washington, DC and is dedicated to improving public policy and management and fostering excellence in research, analysis, and education.

**ASSOCIATION FOR EDUCATION IN JOURNALISM AND MASS COMMUNICATION**
The Association for Education in Journalism and Mass Communication (AEJMC) is a non-profit organization dedicated to promoting the highest standards in journalism and mass communication education. The AEJMC encourages expansive communication related research as well as maintaining freedom of communication in an effort to have a better informed public. There are over 3,700 educators, students, and practitioners who are members of this organization, including many international members. The 2014 conference is scheduled for August 6-9 in Montreal, Canada.

**ASSOCIATION OF ENVIORNMENTAL RESOURCE ECONOMICS**
AERE was founded as a means for exchanging ideas, stimulating research, and promoting graduate training in environmental and resource economics. AERE currently has over 900 members from more than thirty nations, coming from academic institutions, the public sector, and private industry. AERE provides many forums for exchanging ideas relevant to the management of natural and environmental resources.

**ASSOCIATION OF FEMINIST ANTHROPOLOGIST (AFA)**
The purposes of AFA is to foster development of feminist analytic perspectives in all dimensions of anthropology; to facilitate communication among feminist anthropologists and between them and feminist scholars in other related fields; to provide information on issues related to gender differences and to gender-based discrimination within the discipline and society; to encourage integration of feminist research from the different subfields of anthropology and to bring the focal concerns of feminist anthropology into the development of the sub-disciplines.

**ASSOCIATION OF FEMINIST ETHICS AND SOCIAL THEORY**
Feminist Ethics and Social Theory is a professional organization dedicated to promoting feminist ethical perspectives on philosophy, moral and political life, and public policy. Through meetings, publications, and projects; visibility and influence of feminist ethics, as well as feminist social and political theory, are increased. The association also helps to provide support to emerging scholars from diverse and underrepresented populations.
BROADCAST EDUCATION ASSOCIATION
The Broadcast Education Association is an international professional association for professors, industry professionals and students with an interest in teaching and research related to multimedia enterprises and electronic media. The BEA provides a forum where ideas are exchanged through thoughtful discussion on the multiple elements of electronic media such as; regulation, economics, policy, management, news, aesthetics and social problems. The 2014 conference is scheduled for April 6-9 in Las Vegas, Nevada. The submission deadline for panels is September 15th, 2013 and December 1st, 2013 for papers.

CDC Annual Health Communication, Media, and Marketing Conference
This conference presented by the Centers for Disease Control and Prevention was held August 20-22 of 2013, in Atlanta, Georgia. The conference brings together academic knowledge, public health researchers and practitioners from all different government and private organizations, to provide an exchange of ideas and information across various disciplines.

CENTRAL STATES COMMUNICATION ASSOCIATION
The Central States Communication Association works to unite and educate people with an interest in the central region of the United States and a scholarly interest in all areas of communication, for promotion of goals and cooperative achievement. The 2014 conference is scheduled for April 2-6 in Minneapolis, Minnesota, with a submission deadline of October 4th, 2013.

COMPUTER SUPPORTED COOPERATIVE WORK AND SOCIAL COMPUTING
The CSCW community is the premiere conference for presenting research in design and technology that impacts groups, organizations, communities, and larger networks. The conference brings together the most accomplished researchers and practitioners from academia and industry, all with expertise in the area of social computing. A conference is scheduled for February 15-19 of 2014 in Baltimore, Maryland.

COUNCIL ON CONTEMPORARY FAMILIES
The Council on Contemporary Families (CCF) is a nonprofit organization dedicated to enhancing the national conversation about what contemporary families need and how these needs can best be met.

EASTERN COMMUNICATION ASSOCIATION
The Eastern Communication Association (ECA) is a professional organization of scholars, teachers, and students with academic background or interest in communication. The ECA was founded in 1910 and is now the oldest professional communication association in the United States. The 2014 conference is scheduled for April 23-27 in Providence Rhode Island, with a submission deadline of October 15th, 2013.

EUROPEAN ASSOCIATION OF AGRICULTURAL ECONOMISTS
The European Association of Agricultural Economists (EAAE) brings together agricultural economists and others interested in the problems of the agricultural and food industries and rural development in Europe. Its principal activities include the holding of a triennial Congress on a general theme, the organization of seminars devoted to more specific subjects and the publication of an electronic newsflash and the publication ‘EuroChoices’. The European Review of Agricultural Economics (ERAE) is the official journal of the Association.
INTERNATIONAL ASSOCIATION OF RELATIONSHIP RESEARCHERS (INTERDISPLINARY)
The International Association for Relationship Research is a scientific and professional organization comprised of hundreds of scholars and practitioners, all striving to stimulate and support the science behind personal and social relationships. Those involved usually have academic backgrounds in sociology, family studies, psychology, communication, anthropology, philosophy, and other related disciplines. The 2014 conference is scheduled to be July 10-13, 2014, in Melbourne, Australia.

INTERNATIONAL POLITICAL SCIENCE ASSOCIATION
IPSA was founded in Paris in 1949 under the aegis of the United Nations Educational, Scientific and Cultural Organization (UNESCO). The special mandate of IPSA, expressed in its Constitution, is to support the development of political science in all parts of the world, building academic networks linking East and West, North and South. Its aim is to create an inclusive and global political science community in which all can participate. It seeks to promote collaboration between scholars in emerging and established democracies and to support the academic freedoms needed for the social sciences to flourish.

FAMILY PSYCHOLOGIST NEWSLETTER
The Family Psychologist is a quarterly publication focusing on Family Psychology across the entire theory-research-practice spectrum. Researchers and practitioners come together in the pages of TFP for a truly unique combination of "front lines" reporting and the latest in theory.

INTERNATIONAL COMMUNICATION ASSOCIATION
The International Communication Association was founded to serve scholars who are interested in studying, teaching, and applying the multiple aspects of the science of communication. Now the ICA has over 3,500 members in 65 countries and in 2003 became officially associated with the United Nations as a non-governmental association.

INTERNATIONAL SOCIETY FOR PRESENCE RESEARCH
The International Society for Presence Research is a non-profit organization established in 2002 to support academic research based on the concept of (tele)presence. There is a conference planned for March 17-19 of 2014 in Vienna, Austria, with a submission deadline of September 25th, 2013.

JOB OPENINGS FOR ECONOMISTS
JOE is provided by the American Economic Association. All members of the American Economic Association have a professional obligation to list their job openings in JOE. JOE is updated near the first of every month except January and July. The deadline for employers to submit listings is the 15th of the month preceding the update on the 1st of the month.

NATIONAL COMMUNICATION ASSOCIATION
The National Communication Association looks to spread knowledge of communication across all forms, modes and media, as it is such a prevalent part of society. The NCA enables and encourages scholars, teachers and practitioners to research and teach. The 2013 conference is November 21-24 in Washington, DC. The 2014 conference will be held in Chicago, Illinois November 20-23. The Submission deadline for the 2014 conference is February- March of 2014.
NATIONAL COUNCIL ON FAMILY RELATIONS
The National Council on Family Relations, founded in 1938, is the oldest, multi-disciplinary non-partisan professional organization focused solely on family research, practice and education. The mission of the NCFR's is to provide an educational forum for family researchers, educators, and practitioners to share in the development and dissemination of knowledge about families and family relationships, establish professional standards, and work to promote family well-being.

SOCIALSERVICE.COM
The job site for jobs in social work, counseling, psychology, sociology, mental health, case management, employee assistance, volunteer management, substance abuse treatment, domestic violence, community development, youth development, child welfare, developmental disabilities and all other areas of social services.

SOCIAL SCIENCE RESEARCH COUNCIL
The Social Science Research Council (SSRC) is an independent nonprofit organization devoted to the advancement of social science research and scholarship. Founded in New York City in 1923 as the world’s first national coordinating body of the social sciences, it is today an international resource for interdisciplinary, innovative public social science.

SOCIETY FOR MEDICAL ANTHROPOLOGY
The Society for Medical Anthropology was formed in 1967 by a group of persons interested in social sciences and medicine, which had earlier organized in the “Roster of Anthropologists, Physicians, and Others Who Have Special Interests in Medical Anthropology.” The Society for Medical Anthropology was formed to serve the needs of medical anthropology graduate students, practicing anthropologists, scholars, and scholar activists who address issues of local, national and international health importance.

SOCIETY FOR PSYCHOPHYSIOLOGICAL RESEARCH
The Society for Psychophysiological research was established in 1960 with the intent to foster research on the complex interrelationships between the physiological and psychological aspects of behavior. The SPR publishes the journal Psychophysiology to showcase the most recent advances in their research findings. The 54th Annual SPR meeting/conference will be held September 10-14 of 2014 in Atlanta, Georgia.

SOUTHERN STATES COMMUNICATION ASSOCIATION
The Southern States Communication Association is a not-for-profit organization that promotes the study, research, teaching, and application of the artistic, humanistic, and scientific principles all involved in communication. A conference is scheduled for April 1-6 of 2014, in New Orleans, Louisiana. The submission deadline is September 12th, 2013.

STATE DEPARTMENT OF COMMUNITY AND ECONOMIC DEVELOPMENT
The Department of Economic and Community Development is the state's lead agency for the development and implementation of policies, strategies and programs all of which are designed to enhance Connecticut's communities and business and housing environments.
UNIVERSITY ECONOMIC DEVELOPMENT ASSOCIATION
Established in 1976, the University Economic Development Association (UEDA) focuses on the nexus between higher education institutions and economic development partners. UEDA’s mission is to serve its members by enhancing members’ abilities to deliver economic development benefits through engagement with higher education.

WESTERN STATES COMMUNICATION ASSOCIATION
The Western States Communication Association is a non-profit educational organization founded in 1929 and has over 1,000 members from all around the world. WCSA publishes two scholarly journals; *Western Journal of Communication* and the *Communication Reports*. The 2014 conference is scheduled to be in Anaheim, California from February 14-18 of 2014.

Race/Gender Specific

ASIAN PACIFIC AMERICAN CAUCUS
The Asian Pacific American Caucus is an American Political Science Association Related Group. Membership in the caucus is free and open to all interested students, scholars, and practitioners of and on APA politics. APAC represents members of the American Political Science Association (APSA) who identify as Asian-Pacific American (APA) and scholars interested in the interests of the APA community.

ASSOCIATION OF BLACK ANTHROPOLOGISTS
Founded in 1970, the mission of the Association of Black Anthropologists (ABA) is to bring together Black Anthropologists and other scholars concerned with the goals of the ABA and support its activities. ABA will achieve its mission by ensuring that people studied by anthropologists are not only objects of study but active makers and/or participants in their own history. We intend to highlight situations of exploitation, oppression and discrimination.

ASSOCIATION OF BLACK SOCIOLOGISTS
The Association of Black Sociologists (ABS) is a national, professional organization of sociologists and social scientists, founded by women and men of African descent. The organization’s mission is to build a tradition of scholarship that will serve Black people in perpetuity.

ASSOCIATION OF LATINO & LATINA ANTHROPOLOGISTS
The Association of Latino & Latina Anthropologists, a section of the American Anthropological Association, was founded in 1990. ALLA fosters critical research, teaching, mentorship, and scholarly exchange on the experiences of Latinos & Latinas (broadly defined). Its mission includes working with professional and community based organizations, anthropologists outside of academe, and community leaders to promote excellence in scholarship and advocacy about and for Latino/Latina peoples, and for our indigenous, queer, and Black allies.
THE ASSOCIATION FOR WOMEN IN COMMUNICATIONS
The Association for Women in Communications is the one organization that recognizes the complex relationships that exist across communications disciplines. Modern communicators must demonstrate competence in varied disciplines and be able to network and make career moves across the broad spectrum of communications fields. Disciplines represented within the association include: print and broadcast journalism, television and radio production, film, advertising, public relations, marketing, graphic design, multi-media design, and photography.

AMERICAN SOCIETY OF HISPANIC ECONOMISTS
The American Society of Hispanic Economists (ASHE) is a professional association of economists who are concerned with the under-representation of Hispanic Americans in the economics profession at a time when Hispanics represent over 16 percent of the United States' population.

COMMITTEE ON THE OPPORTUNITIES AND THE STATUS OF BLACKS IN AGRICULTURAL ECONOMICS
The Agricultural & Applied Economics Association (AAEA) is a not-for-profit association serving the professional interests of members working in agricultural and broadly related fields of applied economics. Members of the AAEA are employed by academic or government institutions, as well as in industry and not-for-profit organizations, and engage in a variety of teaching, research, and extension/outreach activities.

COMMITTEE ON THE STATUS OF WOMEN IN THE ECONOMICS PROFESSION
SWEP (the Committee on the Status of Women in the Economics Profession) is a standing committee of the American Economic Association charged with serving professional women economists in academia, government agencies and elsewhere by promoting their careers and monitoring their progress. CSWEP activities endeavor to raise the awareness among men and women of the challenges that are unique to women’s careers and can be addressed with a wide variety of actions, from inclusive searches to formal and informal mentoring activities. CSWEP freely disseminates information on how the profession works as well as advice to junior economists.

COMMITTEE ON WOMEN IN AGRICULTURAL ECONOMICS
The Agricultural & Applied Economics Association (AAEA) is a not-for-profit association serving the professional interests of members working in agricultural and broadly related fields of applied economics. Members of the AAEA are employed by academic or government institutions, as well as in industry and not-for-profit organizations, and engage in a variety of teaching, research, and extension/outreach activities.

Ford Foundation Fellows recipients include Alaskan natives (Eskimo or Aleut), Native American Indians, Black/African Americans, Mexican Americans/Chicanos, Native Pacific Islanders (Polynesian or Micronesian) and Puerto Ricans in physical and life sciences, mathematics, behavioral and social sciences, engineering, and humanities. This directory contains contact information for Ford Foundation Postdoctoral fellowship recipients awarded since 1980 and 1986. This database only includes those awards administered by the National Research Council.
THE LATINO CAUCUS IN POLITICAL SCIENCE
The Latino Caucus in Political Science, also known as the Sector Latino de Ciencia Política, was established to both promote and protect the professional development and well-being ofLatinas/os in political science and those interested in the study of Latino politics. Founded on September 4, 1998 at the annual meeting of the American Political Science Association (APSA), the Latina/o Caucus is an officially recognized Related Group of the APSA.

LATINO POLICY COALITION
The Latino Policy Coalition is a national non-partisan non-profit consortium of the country’s leading Latino research organizations and scholars. The coalition includes: the Tomás Rivera Policy Institute; William C. Velasquez Institute; National Association of Latino Elected and Appointed Officials; National Institute for Latino Policy; Leavey Center for the Study of Los Angeles; University of Washington Institute for the Study of Ethnicity, Race, and Sexuality; Program in the Politics of Immigration, Ethnicity and Race; and Diversity Focus/National Community for Latino Leadership. The LPC analyzes, through nationwide public opinion surveys, policy issues affecting the Latino community. Chaired by former San Francisco City and County Supervisor Jim Gonzalez, the LPC seeks to highlight Latino community views on key national issues; and thus stimulate public policy debate among local, state and national elected officials.

NATIONAL CONFERENCE OF BLACK POLITICAL SCIENTISTS
The National Conference of Black Political Scientists (NCOBPS) is a professional organization that was organized in 1969 at Southern University in Baton Rouge, Louisiana, to study, enhance, and promote the political aspirations of people of African descent, in the United States and throughout the world. It aims to contribute to the resolution of the many challenges that black people confront. NCOBPS has a broad membership of political science faculty, students, elected politicians, and policy analysts. Its members are committed to the study and practice of black politics, both here and abroad. The scholarly interests of NCOBPS members span the range of political science sub-fields – political theory, international relations, comparative politics, methods, public policy, and American politics. The professional pursuits of NCOBPS members are similarly varied, ranging from public policy analysis to international consultancies to elected office.

PUERTO RICAN STUDIES ASSOCIATION FOR RESEARCH AND ADVOCACY AND EDUCATION INC
The PRSA is a non-profit professional organization established in 1992, with the goal of uniting scholars, educators, public policy experts, community activists, and students whose academic interest or work focuses on or incorporates Puerto Rico, or Puerto Ricans in the United States. This organization welcomes individuals in all fields of research and teaching in disciplines such as Anthropology, Architecture, Art History, Economics, Education, History, Linguistics, Literature, Philosophy, Psychology, Social Work, and Urban Planning.

SOCIOLOGISTS FOR WOMEN IN SOCIETY
SWS is a non-profit scientific and educational organization of sociologists and others dedicated to; maximizing the effectiveness of and professional opportunities for women in sociology; exploring the
contributions which sociology can, does and should make to the investigation of and humanization of current gender arrangements; improving women's lives and creating feminist social change.
Higher Education Including Race/Gender Specific Resources

ABILITY LINKS
AbilityLinks is an advocacy program that matches job-ready people with disabilities to employers through technology and provides ongoing educational programs and support resources to help people with disabilities and employers to work together.

ACADEMIC CAREERS ONLINE
Academic Careers Online includes faculty, teacher, research, post doc, adjunct, library, administrative, and senior management positions at (community) colleges, universities, research institutes, and schools around the world.

ACADEMIC DIVERSITY SEARCH
Academic Diversity Search is a nationwide employment resource specializing in connecting women and minorities with academic institutions that truly value diversity. ADS expertise is in identifying highly skilled professionals who possess the experience, academic credentials and commitment necessary for enhancing faculty, administrative, executive, scientific, and technical staffs.

ACADEMIC KEYS
Academic Keys is the leading source for academic employment. Academic Keys provides 16 regulated sites that offer comprehensive information about faculty, educational resources, research interests, and professional activities pertinent to institutions of higher education. More than 89% of the top 120 universities (as ranked by US News and World Report) are posting their available higher education jobs with AcademicKeys.com.

ACADEMIC SEARCH INC.
Academic Search works exclusively for colleges, universities, and related organizations in their search for presidents and senior administrators. Academic Search strives to recruit candidates from a wide variety of backgrounds, both inside and outside academia.

AFRICAN-AMERICAN REVIEW
The African American Review promotes a lively exchange among writers and scholars in the arts, humanities, and social sciences who hold diverse perspectives on African American literature and culture. The African American Review is printed quarterly in March, June, September, and December.

AMERICAN ASSOCIATION FOR AFFIRMATIVE ACTION
The American Association for Affirmative Action (AAAA) founded in 1974 is the association of professionals managing affirmative action, equal opportunity, diversity and other human resource programs. The (AAAA) was created to help its members be more successful and productive in their careers, as well as promoting understanding and advocacy of affirmative action to enhance access and equality in employment, economic and educational opportunities.
AMERICAN ASSOCIATION OF BLACKS IN HIGHER EDUCATION
The American Association of Blacks in Higher Education (AABHE) is an outgrowth of the Black Caucus, which was a component of the former American Association of Higher Education (AAHE). As such, AABHE has rich history of representing blacks in higher education on a national level. The Black Caucus created the Summit for Blacks in Higher Education. Over the years, AABHE has been involved in numerous initiatives such as addressing the pipeline of Black faculty and staff in higher education, bringing issues pertinent to Black faculty and staff to the attention of the larger academic community and recognizing African American achievements and accomplishments to higher education.

AMERICAN ASSOCIATION OF PEOPLE WITH DISABILITIES
The American Association of People with Disabilities (AAPD) is the country’s largest cross-disability membership organization. AAPD was founded in 1995 to help unite the diverse community of people with disabilities, including their family, friends and supporters, and to be a national voice for change in implementing the goals of the Americans with Disabilities Act (ADA).

AMERICAN ASSOCIATION OF UNIVERSITY WOMEN
The American Association of University Women (AAUW) is the nation’s leading voice promoting equity and education for women and girls. Since its founding in 1881, AAUW members have examined and taken positions on the fundamental issues of the day — educational, social, economic, and political.

AMERICAN COLLEGE HEALTH ASSOCIATION
The American College Health Association is the principal leadership organization for the field of college health and provides services, communications, and advocacy that help its members to advance the health of their campus communities.

AMERICAN COLLEGES AND UNIVERSITIES ASSOCIATION
The AAC & U is the leading national association concerned with the quality, vitality, and public standing of undergraduate liberal education. Its members are committed to extending the advantages of a liberal education to all students, regardless of academic specialization or intended career. AAC&U now comprises more than 1,200 member institutions—including accredited public and private colleges and universities of every type and size.

AMERICAN COUNCIL ON EDUCATION
In its role as the major coordinating body for all the nation’s higher education institutions, ACE provides leadership on key higher education issues and influences public policy through advocacy, research, and program initiatives. ACE fosters greater collaboration and new partnerships within and outside the higher education community to help colleges and universities anticipate and address the challenges of the 21st century and contribute to a stronger nation and better world.

AMERICAN EDUCATIONAL RESEARCH ASSOCIATION
The American Educational Research Association (AERA) is concerned with improving the educational process by encouraging scholarly inquiries related to education and evaluation, and by promoting the dispersal and practical application of research results. Its more than 25,000 members are educators; administrators; directors of research; persons working with testing or evaluation in federal, state, and
local agencies; counselors; evaluators; graduate students; and behavioral scientists. The broad range of disciplines represented by the membership includes education, psychology, statistics, sociology, history, economics, philosophy, anthropology, and political science.

AMERICAN INDIAN HIGHER EDUCATION CONSORTIUM
Today, AIHEC has grown to 37 Tribal Colleges and Universities (TCUs) in the United States and one in Canada. Each of these institutions was created and chartered by its own tribal government for a specific purpose: to provide higher education opportunities to American Indians through programs that are locally and culturally based, holistic, and supportive. Through AIHEC, our colleges continue to work together to influence policy and establish programs in all facets of higher education. They receive technical assistance in key areas; network with one another, federal agencies, other institutions, and potential partners; mentor new institutions; and plan new initiatives to address evolving areas of need.

ASIANS IN HIGHER ED
AsiansInHigherEd.com is a job board committed to increasing qualified minority candidates for staff, faculty and management employment opportunities at colleges and universities.

ASSOCIATION OF AMERICAN UNIVERSITIES
The Association of American Universities (AAU) is a nonprofit organization of 62 leading public and private research universities in the United States and Canada. Founded to advance the international standing of U.S. research universities, AAU focuses on issues that are important to research-intensive universities, such as funding for research, research policy issues, and graduate and undergraduate education.

ASSOCIATION OF BLACK WOMEN IN HIGHER EDUCATION
ABWHE has been an advocate for and celebrant of the accomplishments of Black women in higher education for more than two decades. Since its inception, ABWHE has served as a forum for developing strategies to improve the quality of education of Black people, with particular emphasis on encouraging Black youth to take full advantage of available educational opportunities. ABWHE is committed to aiding Black women in the academy in fulfilling their own aspirations as well as encouraging Black youth to pursue their education.

BLACK CAREER WOMEN
Black Career Women (BCW) headquartered in Cincinnati, Ohio, is a non-profit, tax-exempt organization conceived by black women for the professional development of black women.

BLACK COLLEGIAN
THE BLACK COLLEGIAN is a career and self-development magazine targeted to African-American students and other students of color seeking information on careers, job opportunities, graduate/professional school, internships/co-ops, study abroad programs, etc. The magazine is distributed on over 800 campuses nationwide, primarily through the career services office.

BLACK ENTERPRISE & BLACK ENTERPRISE MAGAZINE
Black Enterprise, a financial empowerment, is the premier business, investing, and wealth-building
resource for African Americans. Each month, Black Enterprise magazine provides 4.3 million readers with information on entrepreneurship, careers, and financial management. A multimedia company, BE also produces radio and television programming, business and lifestyle events, Web content, and digital media. Black Enterprise is the definitive source of information for and about African American business markets and leaders, and the authority on black business news and trends.

IMDIVERSITY INC.
IMDiversity.com is dedicated to providing career and self-development information to all minorities, specifically African Americans, Asian Americans and Pacific Islanders, Latino/Hispanic Americans, Native Americans and women. The goal of IMDiversity.com is to provide job seekers access to the largest database of equal opportunity employers committed to workplace diversity.

INSIGHT INTO DIVERSITY
INSIGHT Into Diversity (formerly Affirmative Action Register) connects diverse professionals with institutions and businesses that embrace a workforce that reflects the world today. Created as a national recruitment publication, INSIGHT Into Diversity was originally intended to help employers comply with equal opportunity employment legislation. Today, through its free magazine and online recruitment site, INSIGHT Into Diversity continues to serve progressive employers looking to find dynamic talent in every field. These fields include higher education, healthcare, government, and business.
INTEGRATIVE STUDIES ASSOCIATION
The Association for Integrative Studies is an interdisciplinary professional organization founded to promote the interchange of ideas among scholars and administrators in all of the arts and sciences on intellectual and organizational issues related to furthering integrative studies. Incorporated as a non-profit educational association in the State of Ohio, it has an international membership.

JOURNAL OF BLACKS IN HIGHER EDUCATION
*The Journal of Blacks in Higher Education* offers multiple online advertising options for academic institutions and affiliated agencies.

LATINO PROFESSIONAL NETWORK
The LPN creates career, educational and social opportunities for Latino professionals, connecting Latino professionals and college students with each other, and with employers seeking to identify, retain and develop Latino talent. LPN fosters an environment for personal and professional growth for Latinos through monthly networking sessions hosted by area corporations, educational institutions, and non-profit organizations.

LEAGUE OF UNITED LATIN AMERICAN CITIZENS
LULAC is the largest and oldest Hispanic Organization in the United States. LULAC advances the economic condition, educational attainment, political influence, health and civil rights of Hispanic Americans through community-based programs operating at more than 900 LULAC councils nationwide. The organization involves and serves all Hispanic nationality groups. In addition, the LULAC National Educational Service Centers, LULAC’s educational arm, provides counseling services to more than 18,000 Hispanic students per year at sixteen regional centers.

NATIONAL ASSOCIATION FOR EQUAL OPPORTUNITY IN HIGHER EDUCATION
The National Association for Equal Opportunity in Higher Education (NAFEO) is the not-for-profit umbrella organization of the nation’s Historically Black Colleges and Universities (HBCUs) and Predominantly Black Institutions (PBIs). Founded in 1969, NAFEO is the only membership association of its kind, representing the presidents and chancellors of the diverse black colleges and universities: public, private and land-grant, two-year, four-year, graduate and professional, historically and predominantly black colleges and universities.

NATIONAL COALITION OF BLACK WOMEN (NCBW)
NCBW is an outgrowth of dedicated African American women in New York City. These women persistently worked to address the problems that affected their families, their communities, and themselves, and they aggressively began to reach out to other Black women and to mobilize their emerging strength into a visible and influential force. In 1971, an organization developed from these efforts that was called the Coalition of 100 Black Women.

NATIONAL CONFERENCE ON RACE & ETHNICITY IN HIGHER EDUCATION
NCORE is a resource for higher education institutions, providing an annual multicultural forum that attracts Black/African Americans, American Indians, Asian/Pacific Islanders, Latino/as, and European Americans representing campuses across the United States.
NATIONAL COUNCIL ON DISABILITY
NCD is an independent federal agency charged with advising the President, Congress, and other federal agencies regarding policies, programs, practices, and procedures that affect people with disabilities. NCD is comprised of a team of fifteen Presidential appointees, an Executive Director appointed by the Chairman, and eleven, full-time professional staff.

NATIONAL INDIAN EDUCATION ASSOCIATION
The National Indian Education Association advances comprehensive educational opportunities for American Indians, Alaska Natives, and Native Hawaiians throughout the United States. The premiere organization advocating for educational excellence, opportunity, and equity for Native students, NIEA focuses on helping tribes and communities control and choose excellent education for our Native students, promoting culturally based education that allows Native students to preserve languages and traditions of their tribes and nations, and expanding equal educational opportunity for every Native student regardless of where they live.

NATIONAL MINORITY TECHNOLOGY COUNCIL
The National Minority Technology Council has worked to identify and solidify over 5,000 owners of minority technology companies. They are striving to create a relevant platform that captures the need for growth, access, and opportunity but their true competitive resolve rests in the ability to ignite the interest of urban youth towards the industry.

NEMNET – MINORITY RECRUITMENT
nemnet aspires to be the premier resource in the identification and recruitment of minority teachers, administrators and coaches in North America and, in doing so, serve as a resource to public and private schools [k-12], colleges and universities, and non-profit organizations nationwide.

PHDS.ORG
The goal of the site is help students to prepare for the changing demands of today's job market and to provide a voice for early career scientists.

UNIVERSITY JOB BANK
University Job Bank is an online recruiting / career service developed and owned by UniversityJobs.com, LLC. UniversityJobs.com was launched in early 2000 in response to the need to deliver a simple and cost effective way for higher education institutions and other organizations to recruit the right people.

WOMEN FOR HIRE
Founded in 1999 as the first and only company devoted to a comprehensive array of recruitment services for women, Women for Hire offers signature career expos, inspiring speeches and seminars, a popular career-focused magazine and customized marketing programs. Our website, womenforhire.com, offers a wide variety of career-related information and videos geared to working women, and an online job board that helps leading employers connect with top-notch professional women in all fields.
WOMEN IN HIGHER EDUCATION (WIHE)
Women in Higher Education is a monthly practitioner’s news journal, designed to help smart women on campus get wise about how gender affects their being successful in the male-dominated world of higher education. Its goals are to enlighten, encourage, empower and enrage women on campus. By sharing problems and solutions, women can learn to talk back, refuse to accept blame and quit taking guff from people who are less enlightened.

WOMEN IN ACADEMIA REPORT
Women in Academia Report monitors and reports trends concerning women in all areas of higher education, discusses important issues of gender equity, reports instances of gender discrimination, and identifies the leaders and laggards among colleges and universities in creating greater opportunities for women. Special editorial attention will be paid to academic programs and other developments at women’s colleges throughout the United States.

WORKPLACE DIVERSITY
WorkplaceDiversity.com is a source for recruiters who want to make a good faith effort to reach experienced diversity talent.
