ASSIGNMENT OF RESPONSIBILITY AND MONITORING

(Section 46a-68-81)

September 2019

This section was found to be in compliance in the previous filing and there were no proposals/recommendations.

Subsection (a)

In accordance with statutory requirements, the appointing authority Dr. Andrew Agwunobi, Chief Executive Officer and Executive Vice President for Health Affairs is accountable for promoting and enforcing diversity and affirmative action policies and ensuring compliance throughout the agency. Dr. Agwunobi retains ultimate responsibility for the development, implementation and monitoring of UConn Health’s Affirmative Action Plan (Plan).

Subsection (b)

Dr. Agwunobi designated Elizabeth Conklin as the Equal Employment Officer for UConn Health and assigned her the responsibility for operational achievement of UConn Health’s Affirmative Action Plan. Elizabeth Conklin is the Associate Vice President of the Office of Institutional Equity (OIE) (both Storrs and UConn Health offices), as well as the ADA Coordinator and Title IX Coordinator for UConn Health, Storrs and the regional campuses. In that role, Associate Vice President Conklin met regularly with Dr. Agwunobi to discuss issues of human and inter-group relations, review of operational and administrative activities affecting the Plan, identification of obstacles in meeting goals of the Plan, nondiscriminatory employment practices, the legal authority for affirmative action and Dr. Agwunobi’s commitment to affirmative action. Please see Exhibit #1 for meeting dates.

Subsection (c)

As the designated Equal Employment Officer, Elizabeth Conklin, has a reporting line to Dr. Andrew Agwunobi, Chief Executive Officer and Executive Vice President for Health Affairs on all matters concerning the Plan, affirmative action, discrimination and equal employment opportunity and has access to all records and personnel necessary for the effective performance of duties. She responsible for the development, maintenance, and monitoring of UConn Health’s Affirmative Action Plan. Please see Exhibit #2 for the organization chart.

As part of the Office of Institutional Equity’s ongoing efforts to ensure awareness of and progress toward affirmative action program goals, Elizabeth Conklin regularly communicates with the UConn Health population, and advises Dr. Agwunobi and UConn Health leadership of developments in affirmative action law, civil rights, and social equity policy updates. Dr. Agwunobi is also notified of all complaints investigated and adjudicated by OIE’s EEO Investigators.

In addition, OIE staff present orientation and training sessions on policy changes and current developments in affirmative action related laws to employees; advise senior administration on
affirmative action policies and procedures, as well as diversity issues and concerns; and monitor progress toward the UConn Health’s affirmative action goals. Additional responsibilities include:

1. Partnering with the Department of Human Resources on new employee orientation activities;
2. Developing and conducting mandated Diversity Awareness and Sexual Harassment Prevention Training for all UConn Health employees and Department of Correction Sexual Harassment Prevention Training for UConn Health employees in the Correctional Managed Health Care (CMHC);
3. Developing online search committee training for faculty and staff searches, and the Management Development Training Program;
4. Developing and providing the Respectful and Harassment-Free Workplace training for managerial employees;
5. Updating recruitment resource directories of underutilized populations;
6. Maintaining relationships with state and federal civil rights agencies;
7. Maintaining relationships with University internal communities;
8. Preparing state and federal AA/EEO reports and statistical information.

Subsection (d)

University and UConn Health leaders considered the feasibility of an employee advisory committee. It was determined that the uniqueness of a medical school and research center, part of a Research 1 University called for a comprehensive internal body that could address the broad, University-wide matters related to issues of diversifying the faculty and staff workforce and improving the campus climate/work environment. In May 2016, President Herbst established a University Diversity Council chaired by the Chief Diversity Officer.

The Diversity Council is composed of faculty, staff and students across all academic and administrative units on campus. The Council is charged with the development and implementation of a multi-dimensional strategic and inclusion plan that supports the diversity core as stated in the academic plan and the six core recommendations of the Diversity Task Force. The Council also supports the execution of initiatives that would further UConn’s goals of becoming a more inclusive community and a leader in diversity and inclusion in higher education. Additionally, the Council acts in an advisory capacity to UConn’s leadership on issues including increased recruitment and retention of underrepresented groups amongst the students, faculty and staff. It uses metrics to monitor progress on diversity through analysis and assessment and work to identify and disseminate best practices around the successful coordination and execution of diversity programs and initiatives across the entire University, including UConn Health.

Five subcommittees of the Diversity Council were created to focus on different areas of the Council’s mission: Faculty and Staff Recruitment and Retention, Student Recruitment and Retention, Diversity Education and Training, Communication/Campus Climate and External & Community Partnerships.
Subsection (e)

Members of the Diversity Council are identified by name and position. The 35-person Council, led by the Interim Associate and Chief Diversity Officer, a black male includes five white males, eleven white females, two black males, seven black females, one Hispanic male, five Hispanic females, three Asian females and one two or more race female. The Chief Administrative Officer (black female) who is also the Interim Vice President of Human Resources represent UConn Health on the Council. The Diversity Council meets quarterly with the subcommittees meeting regularly and members dedicating time as necessary. Copies of all Diversity Council minutes and all supporting documentation are retained as required by University and state records retention schedules. Exhibit #3 lists the membership of the Diversity Council.

Subsection (f)

UConn Health employees performing affirmative action and equal employment opportunity duties are evaluated and monitored in their performance of such duties. New program assessment and resource allocation models, which include diversity and affirmative action objectives, are also key components in evaluating achievement and performance.

Subsection (g)

No employee is treated punitively, coerced, intimidated, or retaliated against for discharging duties related to diversity and affirmative action. UConn Health Policy on Rules of Conduct expressly prohibits such retaliation. Employees who believe that they are being retaliated against for performing their stated affirmative action duties may file a complaint with the Commission on Human Rights and Opportunities (CHRO).

Subsection (h)

The following section discusses UConn Health offices and personnel with responsibilities related to developing or implementing the Plan.

Office of Institutional Equity

The Office of Institutional Equity (OIE) supports UConn Health's commitment to affirmative action, diversity, multiculturalism, and social equity through functions that play educational, support and compliance roles at UConn Health. OIE advises senior administration on institutional civil rights and social equity policies and issues. The Associate Vice President reports on these issues to the Chief Executive Officer and Executive Vice President for Health Affairs. OIE is charged with compliance function in the following major areas of focus:

1. monitoring employment systems (faculty and staff recruitment, hiring and retention);
2. pre-litigation discrimination case management;
3. Americans with Disabilities Act (ADA) compliance;
4. training and education relative to diversity and sexual harassment prevention;

Assignment of Responsibility and Monitoring
5. reporting and publishing UConn Health’s progress and compliance with affirmative action and equal employment opportunity regulations; and
6. Title IX compliance.

In addition, as a diversity resources unit, OIE provides subject matter expertise and training relative to ensuring non-discriminatory learning and working environments and recruitment and retention of diverse faculty and staff.

**Monitoring Employment Systems**

The OIE staff is available to provide training to search committees and administrators covering subjects such as: search committee roles and responsibilities, best practices for Affirmative Action and Equal Employment Opportunity compliance, good faith efforts in recruitment, evaluation and documentation of applicants and interviewing best practices. The staff also provides support and guidance to search committees, hiring departments, and search administrators and works collaboratively with Human Resources to ensure a fair and equitable search process.

**Pre-litigation Discrimination Case Management**

OIE is responsible for reviewing and objectively investigating complaints of discrimination and discriminatory harassment on the basis of legally protected characteristics. OIE’s investigations determine whether employee conduct violates UConn Health non-discrimination policies, which have been drafted to provide protections aligned with current law. OIE addresses inquiries and complaints made in-person, by telephone, e-mail, and regular mail ranging from employee requests for confidential consultations about options for action and relief, to managers’ calls for disparate treatment analyses of intra-office conflicts. OIE conducts neutral investigations, pursuant to its complaint procedures, regarding allegations of discrimination and/or discriminatory harassment and ensures the equitable resolution of complaints. Where investigations reveal the presence of discriminatory or harassing behavior, OIE is responsible for making recommendations that are designed to mitigate the effects of discriminatory conduct.

**American with Disabilities Act (ADA) Compliance**

The Office of Institutional Equity (OIE) monitors UConn Health’s compliance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act. The Associate Vice President of OIE serves as UConn’s ADA Coordinator and Section 504 Coordinator. These statutes prohibit discrimination on the basis of disability in any service, program or activity. In particular, OIE has responsibility for:

- resolving allegations of discrimination based on disability
- overseeing and ensuring University compliance with all relevant laws and regulations related to the ADA and Section 504
- providing consultation, information and referral to appropriate resources for disability-related issues
- providing training regarding the ADA and Section 504
Training and education relative to diversity and sexual harassment prevention

Pursuant to General Statutes §46a-54, OIE provides ongoing Diversity Awareness and Sexual Harassment Prevention training to all permanent UConn Health employees. A report on training and attendance is provided in the Internal Communication section of this Plan. OIE provides customized trainings to individual departments or groups of employees or students seeking further guidance or training around discrimination and/or harassment issues. OIE also presents tailored trainings, speakers or information sessions to a variety of groups upon request or where a specific need is evident based on complaint activity.

Reporting and publishing UConn Health’s progress and compliance with affirmative action and equal employment opportunity regulations.

The Employment Equity staff, in compliance with §46a-68, prepares UConn Health’s annual Affirmative Action Plan for Employment for submission to the Commission of Human Rights and Opportunities (CHRO). The Plan is also published in its entirety on the OIE website (www.equity.uconn.edu) in an effort to apprise the UConn Health community of the progress of annual affirmative action programming and compliance activities. Additionally, as a federal contractor, UConn Health is required to have Affirmative Action Plans for Women and Minorities and Veterans and Individuals with Disabilities on file in compliance with Executive Order 11246, Section 503 of the Rehabilitation Act, the Vietnam Era Veterans Readjustment Act of 1974, and the Veterans Employment Opportunity Act of 1998. The Employment Equity staff prepare both Plans annually.

Title IX compliance

The Associate Vice President of the Office of Institutional Equity, Elizabeth Conklin, is designated as UConn Health’s Title IX Coordinator. OIE, the Title IX Coordinator and Title IX Investigators together monitor and track UConn Health’s compliance with Title IX and ensure that complaints of sex discrimination, sexual harassment and sexual violence are investigated and addressed appropriately by UConn Health.

Department of Human Resources

The Department of Human Resources (DHR), in accordance with affirmative action requirements and state and federal anti-discrimination laws, administers the State Personnel Act, and the University’s internal procedures and employment practices. DHR provides leadership in the development, implementation, and administration of sound human resources policies, procedures, and programs, which support the UConn Health’s education and research mission. DHR consists of the following operating units: Administration, Creative Child Center, International, Employee/Labor Relations, Organization and Staff Development, Talent Acquisition, Compensation and Classification, Benefits, Information Management, and Payroll.
Employee and Labor Relations

The Employee and Labor Relations Unit is responsible for negotiating and administering fair collective bargaining agreements with nine separate employee bargaining units, administering the progressive discipline and grievance/arbitration processes, investigating potential violations of collective bargaining agreements, agency policies or rules, holding Labor-Management meetings, providing interpretation and application of University policies and collective bargaining contracts, assisting in the development and monitoring of personnel policies, providing guidance to managers and supervisors with employee related situations such as attendance, tardiness, poor performance, discipline, substance abuse, reorganization, or layoff and training managers and supervisors in their responsibilities under the collective bargaining agreements.

Organization and Staff Development

Organizational and Staff Development (OSD) is dedicated to building capacity in individuals and teams by delivering outstanding solutions that impact organizational effectiveness in support of our mission. OSD unit serves and supports UConn Health staff and managers by developing and conducting in-house professional development programs throughout the year. A range of classroom courses and workshops are offered, allowing employees to choose specific topics that meet their professional and personal development needs. OSD also offers customized workshops, consultation, facilitation and coaching. Topics include career/employee development, communication skills, business communication, business process redesign, change management, customer service, customized training and team building.

Talent Acquisition

Talent Management collaborates with hiring managers in the areas of recruitment, search, and hiring process. Talent Management reviews and provides guidance on job descriptions and advertising materials, implements recruitment strategies, evaluates applicant materials and administers the search and hiring process.

Compensation and Classification

The Compensation and Classification unit is responsible for the coordination of the classification program, the classification appeal process, employee-initiated and management-initiated classification review requests, and temporary or permanent reassignments. It provides new/replacement position classification; assists with departmental reorganizations and receiving and processing requests for additional compensation.

Benefits

The Benefits Unit advises, administers, and provides services to employees in areas such as benefit enrollment, retirement and insurance plans, worker’s compensation, and tax-deferred products. This unit also administers other benefits such as leaves, and tuition reimbursements/waivers.
Office for Diversity and Inclusion

The Office for Diversity and Inclusion (ODI) provides leadership in the development and implementation of innovative programming and is responsible, in coordination with the ongoing compliance-related efforts of OIE, for the monitoring and evaluation of diversity efforts and their efficacy. ODI proactively and collaboratively develops and implements plans, programs, and activities that educate and motivate members of UConn Health community to embrace diversity and inclusion as core values to be collectively practiced in UConn Health. ODI works strategically with appropriate UConn Health units responsible for promoting and implementing equity and diversity programs in support of a working and learning environment free of discrimination, harassment and retaliation and for conducting investigations related to discrimination, harassment and retaliation, including the principles and compliance requirements of Title IX.

Specifically, Deans and Department Heads are responsible for charging their respective Faculty search committees with their objective for the search. This charge includes a directive for aggressive recruiting of underrepresented candidates and ensuring applicants are evaluated objectively based on the qualifications. Search committee members and search administrators are responsible for conducting an aggressive recruitment effort to reach underrepresented candidates and evaluating candidates in an equitable manner free from discrimination.

It is ultimately the responsibility of the Chief Executive Officer and Executive Vice President for Health Affairs to ensure these objectives are accomplished. He has specifically designated the Associate Vice President of the Office of Institutional Equity as the person responsible for working towards and achieving Affirmative Action and Equal Employment Opportunity at UConn Health.

**Subsection (i)**

UConn Health has established internal program evaluation mechanisms to continually audit, monitor and evaluate programs in our affirmative action program. The Chief Executive Officer and Executive Vice President for Health Affairs and the Associate Vice President of the Office of Institutional Equity (the institution’s Equal Employment Opportunity Officer) have established and implemented a system that provides for goals, timetables for goals and initiatives and for periodic evaluations.

As an integral part of the evaluation effort, UConn Health considered the following:

1. Conducting an ongoing review and evaluation of UConn Health’s progress towards the goals of the affirmative action plan with the evaluation directed toward results accomplished, not only at efforts made;
2. Establishing a system for evaluating supervisor's performance on affirmative action consistent with chapters 67 and 68 of the Connecticut General Statutes, and
3. Reviewing the affirmative action plan at least annually with the Equal Employment Officer providing an annual report to the Chief Executive Officer and Executive Vice President for Health Affairs and Senior Executive Team containing the overall status of the program, results achieved toward established objectives, identification of any particular problems encountered and recommendations for corrective actions as needed.

The following summarizes UConn Health’s internal evaluation process and the results for this Plan period.

1. Conducting an ongoing review and evaluation of UConn Health’s progress towards the goals of the affirmative action plan with the evaluation directed toward results accomplished, not only at efforts made.

Assignment of Responsibility and Monitoring
Page 16 of 20
Progress toward the hiring and programmatic goals of the 2018 Plan was an integral part of ongoing discussions throughout the Plan year. The Associate Vice President for the Office of Institutional Equity has continued to review Plan goal achievement on a regular basis, and has presented verbal or written reports to the Chief Executive Officer and Executive Vice President for Health Affairs, Senior Executive Team, Human Resources, and Board of Directors. These meetings were in addition to the regular scheduled meetings between the Chief Executive Officer and Executive Vice President for Health Affairs and UConn Health’s Equal Employment Opportunity Officer regarding administration of the affirmative action function, and progress and challenges in meeting affirmative action goals, initiatives, and discrimination complaint matters.

Employees separating from UConn Health are given the option to participate in exit interviews online with the option to be anonymous, and in person. Exit interviews were conducted to elicit additional information about employees’ experiences working at UConn Health. Feedback was given to the appropriate department for follow up. The exit interviews were also reviewed by OIE to determine whether employees left as a result of discrimination or harassment issues that were not addressed by OIE.

As part of UConn Health’s established internal review system, OIE monitored progress of UConn Health’s Affirmative Action Plan throughout the year. OIE reviewed and reported progress toward hiring and promotional goal achievement to Human Resources enabling Talent Acquisition Specialists and HR Associates to focus on remaining goals when planning targeted recruitment. Additionally, program goals set in the Plan determined OIE’s focus and prioritization of projects.

Throughout the year, Associate Vice President Conklin met with or provided trainings to various departments, deans, chairs, and directors to ensure compliance with accessibility, non-discrimination and anti-harassment, affirmative action and equal employment opportunity, and related UConn policies/procedures and state and federal laws and regulations. Additionally, Elizabeth Conklin:

1. Conducted mandatory Managing a Respectful and Harassment-Free Workplace for newly appointed managers, supervisors, and administrative staff who supervise employees and/or students. Please see Internal Communications, Exhibit # 4.

2. Attended meetings and participated in ongoing discussions of Americans with Disabilities Act (ADA) compliance issues, strategies, and education initiatives with the Access and Accommodations Committee, a group committed to providing equal access and full participation for individuals with disabilities within all UConn Health programs and activities.

3. Met with Human Resources to discuss employee training initiatives and collaborations in diversity recruitment, the search process, and sexual harassment.
4. Presented to School of Medicine associate deans and department heads on topics related to proactive and innovative recruitment strategies, objective applicant evaluation, and identifying and minimizing inherent bias in applicant evaluation.

The Deputy ADA Coordinator for the Office of Institutional Equity met with various departments, deans, chairs, and directors to ensure UConn Health’s compliance with all relevant laws and regulations related to the ADA and provided consultation, information and referral to appropriate resources for disability related issues. Deputy ADA Coordinator Joshua Rucker:

1. Attended Campus Planning, Design and Construction capital projects meetings on a monthly basis to provide guidance for conformance with the Standards for Accessible Design under the Americans with Disabilities Act.
2. Participated in ongoing discussions of ADA compliance issues, strategies, and education initiatives with the UConn Health Access and Accommodations Committee.
3. Collaborated with the Coordinator of Interpreting Services to identify staff members to train and assist in providing auxiliary aids and services for patients who are deaf or hard of hearing.
4. Participated as a Member of the UConn Center for Excellence in Developmental Disabilities (UCEDD) Consumer Advisory Council to assist in the development of the UCEDD five year strategic plan.

During this Plan year, UConn Health was successful in making several diverse hires in a number challenging areas.

In the Executive/Management job groups:
- One Native American/White female was hired as the Dean of the School of Dental Medicine
- Two black females were hired as Assistant Vice Presidents for UMG-Administration and Health Information Management
- One black male was hired as a University Director in Patient Services
- Two back females were hired as Managers in Radiology and the Neag Cancer Center.
- One Hispanic male was hired as a University Director in Human Resources and one Hispanic male as an Administrative Manager in the Operating Room

In the faculty job groups:
- One black male, four Hispanic males and one Hispanic female as Assistant Professors
- Two Hispanic females as Instructors

In the Nursing job groups:
- One black female, three Hispanic females and four white males were hired as Nurses and Nursing Supervisors
- Two back females and one Native American male as Nurse Practitioners
In the Clinical job groups:
- Two Hispanic females hired as a Pharmacist and as a Medical Technologist
- One black male hired as a Medical Technologist
- One Native American female as a Physician’s Assistant

In the Technical job groups:
- Three black females, one Hispanic female and one Native American females hired as Pharmacy Technicians
- Five black females and right Hispanic females hires as Medical Assistants
- Two Black females and four Hispanic females hired as Dental Assistants
- One black male hired as a Surgical Technologist 2

2. Establishing a system for evaluating supervisor's performance on affirmative action consistent with chapters 67 and 68 of the Connecticut General Statutes

Managers are evaluated on an annual basis according to UConn Health Performance Evaluation Program. The performance evaluations include performance standards regarding knowledge of goals and designing, implementing, and monitoring an action plan for goal achievement building and using both external and internal sources of qualified goal candidates. This program ensures that employee performance on affirmative action is considered in promotion and merit increase decisions. Please see Exhibit #4 for program documentation.

3. Reviewing the affirmative action plan at least annually with the Equal Employment Officer providing an annual report to the President, the Provost and the Chief of Staff, containing the overall status of the program, results achieved toward established objectives, identification of any particular problems encountered and recommendations for corrective actions as needed.

As in past years, through regularly scheduled meetings with the Chief Executive Officer and Executive Vice President for Health Affairs throughout the Plan year, Associate Vice President Conklin apprised Dr. Agwunobi of the progress toward goals and objectives established in the Plan. Furthermore, Associate Vice President Conklin identified specific problems and provided recommendations for any necessary corrective action. Additionally, OIE submitted periodic updates regarding progress on various elements of the Plan including goal achievement.

Dr. Agwunobi also received briefings regarding all complaints investigated and/or adjudicated by the EEO Investigators of the Office Institutional Equity. He was notified of all decisions regarding complaints and receive copies of all Finding and Recommendations. These regular meetings routinely included discussions of trends with respect to both hiring and discrimination complaint activity. Please see Exhibit #1 for a list of dates.

Associate Vice President Conklin meets with Dr. Agwunobi to review and discuss the Affirmative Action Plan and the Executive Summary annually. The 2019 Executive Summary provides an analysis of hiring goal achievement, an evaluation of the program goals and an Assignment of Responsibility and Monitoring
explanation of the new goals set for the new Plan year. Additionally, the Executive Summary includes graphical and statistical data of the workforce, new hires and applicants based on the Plan year. Further discussions concern grievance procedures and discrimination complaints, contract compliance, organizational structure and staffing needs, and various programs and projects relevant to the affirmative action program. Please see Exhibit #5 for the Executive Summary.

All employee groups are free to comment on any aspect of the Plan or program, according to their interests. OIE requests that comments and inquiries regarding the Plan be submitted no later than August 30 of each year so that these matters can be referenced in the respective year's Plan, as noted in the Policy Statement, Internal Communications, and External Communications sections of this Plan.

After completing the Plan according to CHRO standards, OIE conducts further analyses to identify broader observations and patterns. OIE regularly performs in-depth reviews of the search and hiring system, and conducts other large-scale studies of systemic components of the program.

University Diversity Council

The University of Connecticut Diversity Council was established in May 2016 by President Susan Herbst and is charged with the development and implementation of a multi-dimensional strategic diversity and inclusion plan that supports the diversity core value as stated in the academic plan and the six core recommendations of the Diversity Task Force.

Facilitated by Interim Associate Vice President and Chief Diversity Officer, Dana Wilder, the Council is composed of faculty, staff, and students across all academic and administrative units on campus. The council also supports the execution of initiatives that would further the University's goals of becoming a more inclusive community and a leader in diversity and inclusion in higher education.

The Council will additionally act in an advisory capacity to University leadership on issues including but not limited to student outreach and programmatic initiatives expanding options related to diversity in the curriculum and across academic units, increased recruitment and retention of underrepresented groups amongst the students, faculty and staff, and utilizing metrics to monitor progress on diversity through analysis and assessment.

Members of the Diversity Council will also work to identify and disseminate best practices around the successful coordination and execution of diversity programs and initiatives across the University.

Assignment of Responsibility and Monitoring - Exhibit 3
Page 1 of 1
Overview and Highlights

The Office of Institutional Equity (OIE) has completed the University's annual Affirmative Action Plan for Employment (Plan) per Connecticut General Statute (CGS) 546a-68 and sections 46a-68-75 to 46a-68-114, inclusive.

The Plan is a comprehensive, results-oriented set of procedures and programs that articulate the University's strategy to combat discrimination, put forth a good faith effort to attain hiring goals, and to achieve equal employment opportunity.

The Plan's objectives are to:

- Establish hiring, promotional, and program goals that promote affirmative action;
- Illustrate the University's efforts to achieve a workforce that is properly balanced and fully representative of the relevant labor market areas;
- Quantitatively and qualitatively measure the University's degree of success in accomplishing hiring, promotion, and program goals; and
- Examine and eliminate any policy or employment practice that adversely affects members of protected classes.

Plan Approval

The University's history of approvals has been based on CHRO's acceptance that the University demonstrated every good faith effort to meet goals, rather than goal achievement.

Connecticut General Statutes Section 46a-68-75 (v) defines good faith effort as:

that degree of care and diligence which a reasonable person would exercise in the performance of legal duties and obligations. At a minimum, it includes all those efforts reasonably necessary to achieve full compliance with the law. Further, it includes additional or substituted efforts when initial endeavors will not meet statutory or regulatory requirements. Finally, it includes documentary evidence of all action undertaken to achieve compliance, especially where requirements have not or will not be achieved within the reporting period established pursuant to section 46a-68-92 of the Regulations of Connecticut State Agencies.
A hiring or promotional goal is set for each instance of underutilization of a race and/or gender group in any given job category. The utilization of race and/or gender groups is determined by comparing the representation of these groups in our workforce with the availability in the labor market. Underrepresentation in a specific race and/or gender group is based on the difference in percentages between the current workforce and the availability in the labor market. Hiring goals are then set based on the number of positions needed in order for the workforce to reach parity with the available population in the labor market. A promotional goal is set for each instance of underutilization of a race and/or gender group in any given job category.

Promotional goals are set in lieu of or in addition to hiring goals, based on the historical pattern of fulfilling positions. This historical pattern is utilized when calculating the availability base for job categories. Because of the constantly changing labor market and University workforce, goals are updated annually.

Goal Achievement

Total Goal Achievement: 30.6%

- 119 of the 389 hires met hiring goals
- The Technical/Paraprofessional category had the highest goal achievement of 47.5%
- 47.9% of all goals were met with white female hires
- Females comprised 71.4% of goal hires
- 38.1% of goals were met by minority* hires compared to 18.4% in 2018.

Program Goals

Accomplished

The Office of Institutional Equity launched an online training module, which was assigned to all UConn Health employees. The module included content on sexual harassment definitions and examples, reporting obligations, and resources for impacted individuals. Going forward the module will be continuously assigned to all new employees as part of their New Employee Orientation materials.

The Office of Institutional Equity (OIE) provided a comprehensive update in October 2018 to the Department of Human Resources (HR) focusing on the areas of applicant evaluation and documentation of the search process. To illustrate trends, applicant evaluations of searches from the previous Affirmative Action Plan were reviewed and discussed in detail. Search and evaluation procedures were reviewed to ensure that AA/EEO requirements were addressed.

The Office of Institutional Equity (OIE) developed and published guidelines for accessible events. These guidelines are available online at [www.accessibility.uconn.edu/event-planning/](http://www.accessibility.uconn.edu/event-planning/) and outline the roles and responsibilities of event planners and organizers in regards to event accessibility. Additional information is provided through the website to help event planners and organizers ensure an event is accessible to people with disabilities.

The Office of Institutional Equity (OIE) updated various resources available to search committees, hiring managers, and Human Resources staff. Search committee materials which include information about search committee roles and responsibilities, inherent bias in the search process, objective applicant evaluation and interviewing best practices were revised. All materials are available on the OIE website: [https://equity.uconn.edu/search-process/](https://equity.uconn.edu/search-process/).

Planning for the Future

The Office of Institutional Equity (OIE) will collaborate with the Department of Human Resources to review AA/EEO compliance and goals, recruitment, the search process, objective applicant evaluation and documentation and record keeping requirements. The intent of this collaboration will be to identify standardization of processes and best practices across the University and strategize future AA/EEO initiatives.

In light of the #MeToo movement and the Connecticut Times’s Up law, UCH will establish a working group to review and update materials around sexual harassment prevention and response. The purpose of this working group will be to identify current materials, and determine how to strengthen, clarify, and disseminate information about the definition of sexual harassment, where and how to report incidents of sexual harassment, and reiterate the University’s commitment to a working environment free from all forms of discrimination and harassment including sexual harassment.

The Office of Institutional Equity will collaborate with Audit and Management Advisory Services to conduct an accessibility review of operations at UConn Health. The areas of consideration for review include human resources, clinical practice and operations, communications and website accessibility, parking and transportation, event services, and facilities management. This review will be used to evaluate UConn Health compliance with the Americans with Disabilities Act (ADA) regulations and standards for accessible design.
