

## **WORKFORCE ANALYSIS**

*(Sec. 46a-68-83)*

September 2020

This section was found to be in compliance in the previous filing and there were no proposals/recommendations.

### **Subsection (a)**

The analyses in this section display the racial and sexual composition of the total full-time workforce for each office, position and position classification identified in the job title study. A separate analysis was performed for the full-time durational and part-time employees. The workforce analysis inventories the following:

- Total agency workforce by occupational category with percentages of race and sex groups calculated for each occupational category and total workforce;
- Total agency workforce by job titles within each occupational category;
- Workforce in each labor market area by title and occupational category;

### **Subsection (b)**

The analysis in this section reports the age groups of the full-time work force by occupational category in five (5) year increments.

### **Subsection (c)**

The analysis in this section reports the number of employees in the full-time workforce who have identified as physically disabled.
